Multiple Choice Questions On Business Continuity

Charles J. Brooks, Philip A. Craig, Jr.

Multiple Choice Questions On Business Continuity:

Auditing Business Continuity Rolf von Roessing, 2002 This book not only provides a general outline of how to conduct different types of business continuity audits but also reinforces their application by providing practical examples and advice to illustrate the step by step methodology including contracts reports and techniques The practical application of the methodology enables the professional auditor and BCM practitioner to identify and illustrate the use of good BCM practice whilst demonstrating added value and business resilience
