Naturally Submissive Bwvm Erotica Bbw BdsM Domination And Submission:

Big and Blindfolded: Learning True Submission (BBW, BDSM) Miranda Cruz, 2014-05-16 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play whips degradation humiliation discipline punishment submission and dominance All characters are 18 or older When Annie agrees to accompany Anderson to visit an old friend of his in the BDSM scene she does so to make him happy but the prospect of engaging in role play with a strange man terrifies her Her introduction to Christian Fortier and a glimpse of his treatment of the women that live with him in his Cambridge townhouse only intensify her apprehension although other more confusing emotions begin to surface as well If she can only open herself to his experienced and almost invasively perceptive control this mysterious figure offers to banish her confusion and show her the depths and rewards of submission beyond anything she has encountered before Excerpt

Come here he said his tone very dangerous The woman flinched at the tenor of his voice but edged closer to him I m sorry sir I didn t know you had company sir I But her apologies were cut off with a gasp The man reached out and pushed aside the cup of her bra baring one large breast to the room and seizing her tightly by the nipple all in a single fluid motion The woman flinched and sagged biting her lip at the pain Meredith do you know what Sarah does with this the man asked holding the fork before the woman s grimacing face and maintaining his grip on her nipple She whimpered and shook her head Sarah stabs herself with it in the back of the calf Over and over again she does this when she thinks it has been too long since I last spanked her He turned back towards Anderson The woman is an extreme masochist She seems determined to give herself an infection The woman in his grip let out a whimper of pain and the man turned back to her I have told Sarah not to do this he said to her It is not good for her She knows that it makes me very unhappy He twisted his hand and the woman s whimpers increased in volume and pitch and her breath began coming in gasps You say she asked you to bring it out to the kitchen The woman nodded urgently And why did you agree The woman swallowed and answered with difficulty She just asked for a favor sir The man laughed Meredith for all your good qualities you are very easily taken advantage of did you know that Sarah is using you She knows that she will get in trouble if she is seen with it and so she sends you to run the risk instead Yes sir the woman whined I m sorry sir So this is what we are going to do he said I am going to let you go and pretend that this did not happen and the next time you see Sarah with this fork or anything like it you are going to come to me instead Do you understand Yes sir the woman agreed in a strained voice The man twisted further and I saw the woman s hands ball into white knuckled fists as she fought not to cry out Then repeat back to me what I have just asked you You said that the next time I see Sarah with something like the fork I should come and tell you about it sir And that s what you re going to do Yes sir Good The man pulled the woman closer to him and kissed her once on the forehead gave a final squeeze and released her She stumbled back trying to keep herself from clutching at her reddened and slightly puffy nipple Without bothering to cover herself she fled from the room The man watched her go an unreadable expression on his face She has a good heart that one

he said Never intentionally disobedient but I m afraid she does not always exercise good judgment I looked through the doorway the woman had disappeared through and shivered The prospect of this man treating me the same way he had just treated Meredith was more than a little frightening but an undeniable part of me had found that entire exchange very very hot I took a long drink of the wine and turned back to see the man watching me We ll start slower with you Annie he said I wouldn t want you to be too overwhelmed

Yielding Curves: Standards of Obedience (BBW, Discipline, Submission, and Exhibition) Miranda Cruz,2014-08-04 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking forced exhibition public humiliation submission and dominance All characters are 18 or older Victoria s partner David has always been a gentle and forgiving dominant often indulging her whims and preferring to let her play her part rather than resort to harsh discipline or exploit her naturally trusting ways But Victoria s obedience has begun to slip and David is forced to accept that a change is needed To begin anew he invites a fellow dominant and his submissive to dinner thinking that their much stricter relationship might provide the eye opener he is loathe to inflict directly on his supposedly fragile submissive Victoria is excited at the prospect but soon realizes that the evening will be far more intense than she is prepared for As the night escalates she will find herself torn between her natural reservations and the need to prove herself an equal of the visiting submissive in the eyes of their men In shockingly little time the drive to prove her devotion and obedience will have her doing things she never thought she could do and still falling short

Excerpt I looked up Unintentionally my eyes flicked first to the man standing on the threshold His face was dark and intelligent and his cheeks were angular in a very becoming way He wore an immaculate suit and a coat was folded over an arm Quickly I looked away knowing I had permission only to seek out my counterpart I followed the direction the man s hand indicated and took in a beautiful woman slightly larger and perhaps a year younger than me Her hair was dark and tied back and a studded leather collar adorned her throat She wore a tight low cut leather vest and white leather skirt that emphasized the ample curves of her body Her black stockings led down into three inch stilettos I gave her a small smile thinking that it was my role to welcome her into the penthouse She only returned my look with very large eyes and a meek expression that did not seem to acknowledge my existence Show her into the dining room Ewan instructed me David and I have some things to discuss in his office before dinner Yes sir I said I turned and led her out of the entrance hall and around into the dining room Her footsteps were small and clicked quietly on the hardwood floor I went to offer her a chair but when I turned I saw that she had taken a

kneeling position on the floor a few steps back from the chair I had offered her Were we not allowed at the table A little taken aback I watched her She was sitting back on her heels with her eyes fixed on the floor in front of her Her posture was stiffly erect and expectant her chest was thrust out and her hands were clasped behind her back Her behavior made me second guess myself I had assumed we would sit at the table but now I didn't want to do anything out of turn The point of this dinner was to learn after all A little dubious I walked over and lowered myself beside her I did my best to imitate her position as well but looking first at her and then back at myself I found that I couldn't entirely manage it Have you and Ewan been together long I asked feeling a little silly as we knelt together on the floor Joanna did not respond right away She shifted slightly still staring intently at the floor Master says it's wrong to talk to other submissives without his permission she said Oh sorry I said at a loss I cast a sidelong glance at her rigid form Was this what was expected of me Was this the standard I was going to be held to I didn't really know what to make of it She obviously took satisfaction in being this way and I couldn't deny that it turned me on a little bit the way Ewan controlled her completely and unequivocally even in absentia Would I be that way Would I be able to be We waited in silence for maybe twenty minutes I couldn't see a clock but it felt like a very long time Doubts surfaced swirled and then faded only to rise again **Obey Me** Piper Dupree, 2020-03-09 Dominant men Submissive but willful women Spankings Bondage In these seven stories everyone gets what they want especially if they are good And if they're bad well they get even more of what they want If you are into BDSM erotica caring and fair dominant alpha men

Yielding Curves: Dominated at the BDSM Society (BBW, Discipline, MMF, Public Sex) Miranda Cruz, 2014-09-07 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking forced exhibition public humiliation public sex multiple partners submissiveness and dominance All characters are 18 or older Victoria's dominant David has applied for the two of them to become members in the highly exclusive Tremboix Society a BDSM network of the city's most powerful and influential Though David Rencon surely falls within that category he agrees that they must go through the Tremboix's rigorous screening process Rather than questionnaires or resumes the Tremboix uses only one metric to assess potential couples the worthiness of the submissive So it is that Victoria finds herself standing alone before a gathering of the city's most powerful and sexually dominant men with only one task obey Excerpt Google has deemed this excerpt too explicit to be displayed **Opening Bethany** Gulliver Noir, Just out of a toxic relationship James finds curvaceous young Bethany more than attractive She's intoxicating The younger sister of a friend's girlfriend the twenty something seems like a perfect balm for his shattered soul Sweet brilliant unjaded The perfect antidote for Helen the girlfriend from hell There's only one catch James isn't interested in a relationship like any he's known before and while Bethany's the smartest most accomplished young woman he's ever met she's not yet fully comfortable in her own skin James is sick of compromises sick of playing games that satisfy no one He's sexually dominant he's discovering and Bethany just may be a perfect natural submissive He knows they should take it slow one step at a time but the look in Bethany's eyes

scared yet willing is eating into James soul **Yielding Curves: Voluntary Captive (BBW, Dominance, Bondage, Submission)** Miranda Cruz,2014-09-14 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play femdom spanking bondage pegging and anal sex submissiveness and dominance All characters are 18 or older After an intense almost overpowering experience at the hands of the Tremboix Society s mysterious leader Victoria has been offered the opportunity to spend a week with him and begin to explore her true potential as a submissive It means temporary separation from Damien but the allure of what Victoria has tasted is simply too strong to ignore Once reunited with the man whose touch thrills and controls her so perfectly Victoria begins the long road of self discovery rich with challenges and with pleasures as she begins to learn what it is to have a master and just exactly who hers is Excerpt Without turning Jack addressed us And you too Deanna My thanks for seeing Victoria in The girl rose and backed towards the door I know you dislike the task he added before she had left But yours is such a warm personality I couldn t think of having the other girls do it in your place when I want our newest guest to feel welcome She blushed deeply at the compliment her eyes fixed on the floor Thank you Master she said softly He nodded in dismissal and she left Slowly as though he could sense my impatience his deep charcoal eyes turned towards me Victoria he said simply I m glad you could come Master I responded eager to try the new form of address He smiled You ve heard that word have you Good We ll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already wet He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You ve been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I m usually such a patient man he went on sliding a finger beneath the strap of my top just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We ll put these clothes somewhere safe for the week I wouldn t want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight blush rose to my cheeks but I did not break eye contact My God he didn t beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine **Embracing My Submission** Jenna Jacob,2012-10-29 Haunted for years by dreams of a savage amber eyed Dominant with lips so enticing my soul ached in frustration and lust None of the Dominants

at Genesis my local BDSM club ever stirred me in such blistering ways While I tried to fill my submissive desires vicariously through interactions at the club I attempted to convince myself it was enough But it wasn't My dream Dom made certain I hungered for more Forced beyond what I could bear my passion and frustration exploded I threw in the towel determined to stop chasing a dream and gave up completely on finding submissive surrender But fate intervened when two gunshots split the night Forced to confront my desires and insecurities I was shocked to realize that my dreams may have held a deeper meaning Were they compelling me to finally embrace my submission

Domination and Submission Lifestyle Allen Graih, 2010-06-14 Domination and Submission The very words access our emotions creating discomfort yet curiosity The lifestyle Domina the submissive slave In a true Dom sub lifestyle the relationship is not as insidious as this would seem Domination is about leadership respect and being a leader rather than a bully or a boss Submission is more about supporting that roll than succumbing to the wishes of the Dominant BDSM plays a roll only when both parties are ready for it but it does not have to be a part of a Dom sub lifestyle For those of us that enjoy this aspect this book has pointers safe words and tips on attitudes that both Dom and sub need to respect from one another Notice the words play and roll Domination and submission is a roll playing lifestyle This expanded edition has clearly numbered pages a brief history of BDSM and a full Glossary *Tamed by the Boss (BBW, BDSM, Spanking)* Miranda Cruz, 2014-06-21 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play humiliation discipline punishment forced exhibition submission and dominance All characters are 18 or older She has been yearning for his attention but she didn't expect this Melanie has never been outgoing around her coworkers but it isn't until a new boss arrives to run the branch that she begins to regret her isolation in the work place For weeks she silently hungers for his attention until she is called in for a performance review Once the two are alone together it isn't long before all sorts of things are coming out into the open Not least among these revelations Philip Reese has been painfully aware of her desire for his attention and he intends to punish her for the inappropriate means she has employed to distract him from his professional duties Excerpt Sit he instructed indicating one of the soft cushioned couches against the far wall Obediently I took a place against the arm rest and watched him pour himself a drink from the bar against the wall I'm sure you can imagine how I've been wanting to dig my fingers into you for these past two weeks now he said turning back to me and sipping from his high ball Dear lord the way you've been tempting me And the way you've been dressing It's been absolute torture I hope you know you'll pay for that I mean I asked taken aback by the sudden change in his tone These tight outfits that barely containing that beautiful soft body Those plunging necklines that hint at more and more At first the clothes were very conservative weren't they But every passing day you insisted on upping the stakes I never thought a woman could be so quiet despite the fact she spent all her time screaming for me to pull her into a closet I playing nervously with the high hem of my skirt In retrospect I had to concede that my unspoken hunger for his attention had begun to affect my wardrobe choices in an undeniable way You could have come to me on the very first day and I would have fucked you over my desk without a second thought But instead you wanted to make it difficult You wanted to flit around quiet and shy revealing a bit more thigh and a bit more cleavage until you'd made me absolutely crazy I don't think that was very fair **A Dom's Guide to Training a Sub** Mistress Dede, 2016-11-04 The power the satisfaction and the intense rush of domination that goes through your body when your submissive bows to your will cannot be compared to any other thing in this world This ebook is every Dom's guide to training a submissive It contains various guidelines and strategies on how a Dom can get the best of the relationship As you

read through keep in mind that dominance and submission are simply one part of BDSM It advances into a wider spectrum which includes sadism bondage discipline and masochism as well However the focus of this book is submissive training
