**Naughty Or Nice** Jen Kneas, 2024-11-21 Naughty or Nice Steamy Christmas Romantic Comedy Naughty or Nice is a laugh out loud spicy romance that's equal parts festive fun and holiday heat perfect for readers who want their Christmas cheer with a side of steam When a strait laced corporate lawyer and a mischievous professional Santa impersonator get locked in a department store overnight during Christmas Eve their holiday banter turns into the kind of heat that melts more than just snow Summary Margot Blackwood has one rule stay professional always As a rising star at her Manhattan law firm she doesn't have time for distractions especially during the holidays Margot is tasked with overseeing a high stakes merger involving a chain of struggling department stores and is determined to prove herself by keeping everything on track even if it means working through Christmas Enter Nick Frost yes that's his real name a devilishly charming and ridiculously good looking actor who moonlights as a department store Santa Nick's free spirited personality and knack for improvising in the Santa suit have made him a favorite with kids and parents alike but his antics frequently frustrate the store's uptight management When Margot visits the store on Christmas Eve for a last minute inspection she runs into Nick literally while he's mid photo op with a group of rowdy kids Their clash is instant Margot sees Nick as an irresponsible distraction while Nick thinks Margot could use a serious lesson in loosening up Things take a wild turn when a security malfunction traps Margot

and Nick inside the store overnight What starts as a battle of wits quickly turns playful as they explore the festive empty store Margot s carefully controlled demeanor begins to crack as Nick s irreverent humor and flirtatious charm push her out of her comfort zone From a steamy make out session in the toy aisle to a playful game of hide and seek in the lingerie section the chemistry between them reaches boiling point But as the night goes on their banter shifts to deeper conversations about ambition fears and what Christmas really means By the time the doors unlock on Christmas morning Margot must decide whether to continue her polished perfect life or take a chance on the messy unpredictable Nick And Nick must prove that beneath his jolly carefree exterior lies a man ready to commit      Naughty Or Nice / A Sinful Little Christmas: Naughty or Nice / A Sinful Little Christmas (Sin City Brotherhood) (Mills & Boon Dare) Rachael Stewart,J.
