Sue's Recipes Susan Hutt, 2012-11-14. Susan Hutt has always loved to cook as far back as she can remember. As a child, she wanted to help her mother in the kitchen and witness her creativity with the little she had to cook with. She always knew that when she grew up, she would be able to cook just like her. So throughout the years, she gathered lots of cooking knowledge and recipes along the way from her grandmother, aunts, and friends. The years of written recipes scribbled on pieces of paper that were piled up in a box was overwhelming, but now they are finally typed and put together in this book of so many recipes cooked with lots of love for all of you to enjoy. It is what she would call an all-purpose cookbook because it has everything you could possibly imagine in it.

Ocean View Terrace Greg Weston, 2008-04 Emily sat bolt upright in bed She looked at her curtains It was still dark outside As she turned something caught her eye In the centre of one side of her room was a fireplace On the mantel stood her clock which was in the shape of a pink pig The pink pig said that it was half past midnight But what caught her attention was a tiny sliver of light which she could see down the edge of the fireplace between the black fireplace and the white wood surround What was that she wondered She walked up to it and pressed her hand against the fireplace At the touch of her hand it swung back the sliver of light grew wide and a passageway opened up Life is boring in Ocean View Terrace or so Emily thinks as the school holidays draw to a close and a new school term looms ever closer But in this sleepy little town on the East Anglian coast strange things are happening and Emily could never imagine in her wildest dreams the whole new world she is about to discover
