Eternally Secure In God S Family:

Eternally Secure in God's Family Ralph R. Yost, Rudy Yost, 2015-01-29 Can I be cast out of the family of God after I have become a believer and a member of God s family The reason for writing this book is because that question has been addressed to me as a pastor during my 40 years when I was a senior pastor and Bible teacher It was asked by those who were believers in Christ who were having doubts about their relationship with God in their lives I have created a couple Bob and Wilma who have come to their pastor with that question They spend nine sessions with him looking in the Bible noting the passages in Scripture by a verse by verse study that show the believer is secure in the family of God for eternity The study is supplemented with illustrations poems and cartoons Some of the questions that relate to the subject are answered What was the plan that God made before the world was created that relates to me being secure as a member of God s family What does being born into God s family involve Why is every word in every part of the original writing of the Bible important in our security What do we mean by saying one God manifested by three persons Are there three gods What is the difference between RELATIONSHIP and FELLOWSHIP with God Why does a believer feel secure when he is disciplined by the Lord Is my name in the Book of Life *Eternal Security Proved!* Phillip Evans, 2008-04-30 Clear proof from the Bible that once you are saved by placing trust in Christ as your Savior you can never be lost again Difficult passages from Scripture are tackled head on and explained with clarity Do you sometimes doubt your salvation If you do then know that this is not a product of living by faith This is why the fear that you can lose your salvation is a hindrance to your Christian walk If the doctrine of unconditional security is true then to disbelieve it is to disbelieve God God has given us the truth in His Word It is up to us to know it and apply it so that we can live the victorious Christian life as our Lord and Savior Jesus Christ intends us to *Four Views on Eternal Security* Zondervan, 2011-10-11 Does the Bible support the concept of once saved always saved or can a person lose his or her salvation Among the most hotly debated topics in the history of Christian theology has been the perseverance of the saints How do the Scriptures portray the complex interplay between grace and free will These and related questions are explored from different angles in this thought provoking Counterpoints volume The contributors each state their case for one of four prominent views on eternal security Classical Calvinist presented by Michael S Horton Moderate Calvinist presented by Norman L Geisler Reformed Arminian presented by Stephen M Ashby Wesleyan Arminian presented by J Steven Harper In keeping with the forum approach of the Counterpoints series each view is first presented by its proponent then critiqued and defended This fair and respectful approach allows you to weigh for yourself the strengths and weaknesses of the different doctrinal stances By furnishing you with scholarly and thoughtful perspectives on the topic of eternal security this book helps you sift through opposing views to arrive at your own informed conclusions *Eternal Security* Lloyd A. Olson, 2007-11 This book is a must read for three reasons First no other book can compare It is the most comprehensive work affirming Eternal Security in the history of Christendom Second Dr Olson uses his experience gained as

a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side Third critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation

Simply by Grace Charles C. Bing, 2013-06-25 Simply by Grace is an easy to read introduction to a core Christian belief By looking at the major questions and issues that surround the concept of grace Charles C Bing helps readers understand and appreciate this God given gift and how simple it really is

God Is CrazyAbout You! Steve Johnson, 2015-04-08 Do you hunger to experience the love that the first disciples felt Are you tired of just doing more and more rather than having a love affair with God Are you burdened with guilt If you answered yes to any of these questions this book is for you Be prepared to be blown away by the whole truth of God's love Through careful Bible study stories and illustrations you will learn the whole truth You will see some Bible verses that preachers have never taught you and learn what the true gospel is

Believers' Eternal Security Oppong Kyekyeku, 2021-10-20 How do you understand the concept of eternal salvation through Christ Jesus Can a believer lose his or her everlasting salvation given by God due to circumstance Are you afraid of losing your eternal salvation of grace through faith in Jesus since you believed Is there anything you can do to secure your everlasting salvation without losing it The answers to these questions and beyond are what this book is all about Believers' eternal security is only based on eternal salvation through faith in Christ Jesus which guarantees our freedom in Christ because of the grace pertaining to salvation we cannot lose But regrettably many believers are still under oppression of fear for uncertainty of their eternal salvation They believed that they must hire security personnel to protect or hold their eternal salvation like an egg or work hard to secure it otherwise it will fall on the rock and break away for them to lose it which in fact is completely a delusional threat from the deceiver who is the devil that always contradicts the true Word of God Nowhere in the New Testament scriptures can you find such theory or doctrine it is totally and deliberately manmade fearmongering danger and confusing premature believers For if in fact you truly believed in Christ and have received salvation God who can never lie and can never change His mind has given it to you then it's eternal it's everlasting it's forever and it has no end You can never ever lose it

irrespective of whatever happens Eternal salvation is and will never be partial to lose it halfway since God who promised believers is impartial Don't believe any garbage more than the true living Word of God Believer's eternal security is confidently never losing the everlasting salvation received from God through Christ Because eternal salvation is not a reward to the righteous but a gift to the guilty Amen

The Cowboy and the Cross Bill Watts, Scott Williams, 2006 Bill Watts leads readers on a tour through his checkered life starting with his stormy upbringing and his tumultuous years at the University of Oklahoma and culminating in a reawakened spirituality that snatched him back from the brink of destruction The legendary pro wrestler talks frankly and fearlessly about his ugly encounters with the top names in the ring and his uglier encounters with the life and world surrounding the sport

Foundations of our Faith B. Lightsey, 2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker's language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker's standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God's Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God's Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God's people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled *Doctrine for Dummies* is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine
