Ethical Argument 2nd Edition:

Debating Health Care Ethics, Third Edition Doran Smolkin, Patrick Findler, Warren Bourgeois, 2025-04-28 Debating Health Care Ethics Third Edition explores contemporary moral challenges in health care through a unique debate format providing students with the essential tools to understand and critically evaluate the leading arguments in the field and to develop their own arguments on important moral problems in health care The first three chapters explore the nature of arguments philosophical methodology and a range of leading normative ethical theories The remaining chapters introduce students to moral problems in health care through dramas that feature complex scenarios involving patients family members and health care providers Each drama is followed by a lively debate where the authors consider and evaluate rival arguments concerning the moral issues raised by the drama The dramas encourage students to start thinking about ethical issues in health care The debates then demonstrate how arguments are developed and criticized These debates also encourage students to develop and defend their own arguments on these topics This technique is more interactive and approachable than standard philosophical texts This third edition contains updated chapters and dramas that reflect recent changes in health care in Canada One such change is to the chapter on euthanasia which now includes a drama and a debate centred on the morality of legalizing Medical Assistance in Dying MAiD Other changes to the text are in response to the Covid 19 pandemic These include updated chapters on the proper rules for prioritizing care in emergency situations triage and the moral limits of medical doctors administering unproven alternative medications to patients who request them The third edition also contains a drama and debate on autonomy and valid consent and a drama and updated debate on the justice of a two tier health care system where one level of health care is available to all regardless of means and another level of faster health care is available only to those with means *The Complete Idiot's Guide to Understanding Ethics, 2nd Edition* David Ingram, Jennifer A. Parks Ph.D., 2010-08-03 Ethics are more than a personal philosophy From the crimes of Bernie Madoff to the accusations of war crimes and torture to the massive greed inspired fraud perpetrated by the financial institutions around the world this new edition of The Complete Idiot's Guide to Understanding Ethics Second Edition helps clarify the history and evolution of ethics and their application to real life in the twenty first century Covers ethics in such hot button topics as politics war medicine and business and finance Features up to date ideas on ethical behavior on the Internet when dealing with privacy issues Discusses the personal ethics surrounding reproductive issues *Ethical Issues in Business - Second Edition* Peg Tittle, 2016-12-15 Peg Tittle's ambitious business ethics text brings together readings cases and the author's own informed opinions The second edition includes over a dozen new readings and case studies as well as a new chapter on issues in Information and Communication Technology Includes Canonical and topical readings on issues ranging from whistleblowing and advertising to international business the nature of capitalism and the environment Engaging overviews from the author encourage careful reflection and critical examination of conventional assumptions What to Do

scenarios and Case Studies illustrate the practical relevance of each topic Comprehensive introductions to ethical theory and the ethics of business Questions following each selection test understanding and promote active reading A primer on ethical institutions examines the role of ethics consultants codes of ethics and more *Readings in Health Care Ethics - Second Edition* Elisabeth (Boetzkes) Gedge, Wilfrid J. Waluchow, 2012-03-14 *Readings in Health Care Ethics* provides a wide ranging selection of important and engaging contributions to the field of health care ethics The second edition adds a chapter on health care in Canada and the introduction has been expanded to include discussion of a new direction in feminist naturalized ethics The book presupposes no prior knowledge only an interest in the bioethical issues that are shaping our world **Ethics: The Basics, 2nd Edition** John Mizzoni, 2017-03-27 Updated and revised *Ethics The Basics Second Edition* introduces students to fundamental ethical concepts principles theories and traditions while providing them with the conceptual tools necessary to think critically about ethical issues Introduces students to core philosophical problems in ethics in a uniquely reader friendly manner Lays out clearly and simply a rich collection of ethical concepts principles theories and traditions that are prevalent in today's society Considers western and non western viewpoints and religious interpretations of ethical principles Offers a framework for students to think about and navigate through an array of philosophical questions about ethics *Ethical Challenges to Business as Usual - Second Edition* Shari Collins, 2022-06-17 This anthology offers a fresh approach to the ethics of business casting a critical eye on entrenched assumptions and practices It includes central works from such thinkers as John Locke Karl Marx Milton Friedman Naomi Klein and Thomas Piketty while also introducing new voices on a range of pressing practical topics including racial discrimination in the workplace factory farming climate change affirmative action and whistleblowing A truly applied anthology this book encourages students to see the real world applications of the theories at issue and to examine the consequences of business as usual *A New Identity of Obligation: Metaphors and Paul's Ethical Argument in Romans 6:1-14* Andrés D. Vera, 2025-06-19 In Romans 6 1 14 Paul corrects an erroneous ethical conclusion drawn from the narrative of God's grace in Romans 3 5 This innovative study employs tools from cognitive linguistics to unveil Paul's sophisticated rhetorical strategy for resolving the indicative imperative tension By moving beyond traditional theological frameworks the book shows how Paul presents believers new identity as defined by a new obligation illuminating the metaphorical narrative that undergirds Paul's logic Readers will better understand the importance of conceptual spaces like in sin and in Christ and how Paul conceptualizes the relationship between believers and their old selves who have been crucified **Business in Ethical Focus: An Anthology - Second Edition** Fritz Allhoff, Alexander Sager, Anand J. Vaidya, 2016-12-20 *Business in Ethical Focus* is a compilation of classical and contemporary essays and case studies in business ethics Readers will become acquainted with seminal ideas on corporate social responsibility and the place of business in a just society Other topics include diversity in the workplace sexual harassment workplace rights environmental responsibility and sustainability global business intellectual property bribery and ethical

issues in advertising and marketing This second edition adds a dozen original case studies as well as new sections on global perspectives with articles on Islamic Confucian and Buddhist business ethics entrepreneurship and the non profit sector Background material on ethical theory and the nature of business ethics is included to orient readers new to this field

Ethical Theory - Second Edition Heimir Geirsson, Margaret Holmgren, 2010-05-07 This first rate introduction to ethical theory contains sections on various forms of ethical theory such as egoism virtue ethics divine command theory and consequentialism Each section includes two or three of the most important contributions to the field together with brief introductions by the editors The second edition contains an improved approach to applied ethics Each chapter on moral theories now includes a selection that deals with a moral problem such as human cloning abortion and global warming The selection illustrates how the relevant theoretical approach is put to use There is therefore a much tighter integration between theory and practice than before The new edition also contains an improved section on feminist ethical theory

Ethics for a Brave New World, Second Edition (Updated and Expanded) John S. Feinberg, Paul D. Feinberg, 2010-11-04 Aldous Huxley's 1932 book Brave New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of Ethics for a Brave New World noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of Ethics for a Brave New World seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas
