Eulogy For Mom From Son:

Harvesting Memories Linda Lee Cermak Kocan, 2025-02-07 *Harvesting Memories* abounds with intimate and heartfelt recollections from a lone survivor of a family and by extension a way of life that has virtually disappeared from the American landscape. The life she vividly portrays as a child growing up in rural Ohio as the youngest member of a farm family in the 1950s and 1960s, one generation away from two sets of grandparents who immigrated from Czechoslovakia, taught her invaluable life lessons among its triumphs and setbacks. Coal mining and farming coexisted as unlikely bedfellows in that part of the country, but the author's father, who dropped out of school to work in the mines, ultimately came to live a hardscrabble but fulfilling life as a farmer dedicated to his undying belief that the land will feed you. Edward Cermak's realized dream of providing for his family by living off the land came with a death sentence of Black Lung Disease from his years of breathing in coal dust. He and wife Anna were married at the onset of the Great Depression, a most challenging time, and it is fair to say that they shared a prodigious workload and occasional hardship over several decades of farming and never regretted their journey together. The greater the difficulties, the harder they worked, and the more they learned to adapt. As for daughter Linda, the baby and unexpected addition to the family, joining a much older sister and brother, her two decades on the farm were so special that she, as sole survivor, had to put it all into the words that comprise this book as she embarked into her seventies. There are many stories, from the exultant to the tragic, told in these pages. Linda takes you back in time through her memories and ultimately sharing the many truths that came to serve her well as a wife, mother, and grandmother. Perhaps most fascinating is a way of life so reliant on and respectful of family and neighbors, captured in this memoir. You might even find yourself, as did the author in her youth, enjoying the antics of a pet groundhog or dealing with the meanest gobbler ever to walk the face of the earth. It is a compilation of stories and maxims that can only be shared by a dwindling number of those among us who have experienced this rapidly disappearing way of life. All proceeds from the sale of this book will be donated equally to the Dillonvale High School Alumni Association and to the community of East Palestine, Ohio, who suffered the tragic train derailment in 2023 in memory of Linda's Dad and Mom, Ed and Anna Cermak. About the author: Linda Lee Cermak Kocan, the youngest of three children, is the second daughter and only surviving child of the late Edward and Anna Cermak of Dillonvale, Ohio. At 71 years of age, Linda decided to take pencil to paper and record her experiences and lessons learned growing up on her small 150-acre family farm in Ohio's Jefferson County in the 1950s and 1960s. Just jot down a few interesting stories in a notebook to tell her children and grandchildren about their roots and pass on some important life values she had learned during those years. A vociferous reader, Linda is not a formally trained writer, but this memoir reveals a natural talent for writing about what is most important in life via an approach that is inviting, gentle, and authentically warm and loving. She asks that you place your hand in hers as she takes you on a virtual journey back in time to her farm and a childhood replete with memories told in an unpretentious style that can be humorous, charming, and at times assertive and

life affirming She promises that Harvesting Memories will inspire and inform you in ways you might find surprising Linda currently lives in the verdant countryside outside of Towanda Pennsylvania with Mark her husband of 52 plus years They live on a 22 acre piece of land which they share with deer various wild critters and their 17 year old cat Sydney **The Savvy Mom's Guide to Sons** Tina Krause,2014-07-01 The Savvy Mom s Guide to Sons will encourage your faith challenge you spiritually and give you real life advice on how to parent boys with wisdom and confidence Biblically based advice will equip you to guide your boys in the Christian faith plus you ll encounter some humorous common sense tips along the way Each of these 101 accessible chapters wraps up with thought provoking quotations and questions making The Savvy Mom s Guide a perfect book to read alone or with other mothers of sons Mom's Everything Book for Sons Becky Freeman,Becky Freeman Johnson,2003 Short practical suggestions offer mothers ideas to build a quality relationship with their eight to 12 year old sons following the pattern set in Luke 2 52 *Memories of a Brooklyn Boy* Sol Schwartz,2018-03-09 This is the story of Sol Schwartz the youngest of three children born to Sam and Rose Schwartz Romanian immigrants who migrated to America in the early part of the twentieth century Sol born in 1925 relates about his stressful life growing up in Brooklyn as part of a somewhat fractured family He relates his struggles with education jobs and business ventures and his battles with cancer throughout most of his life that was constantly attacking members of his extended family as well as himself Being widowed twice forced Sol to cope with the problems of raising three children in a home environment with different mother images Sols business responsibilities necessitated his being away from home frequently on foreign trips complicating matters that at times were so stressful he considered suicide Then a third relationship found its way into his life and gave him cause to want to go on living **The Day Isn't Over** William Bisbing,2021-08-03 This is the story of a man and a woman who have made their respective plans to enter into their golden years after going through all of life s challenges raising their families wanting only to enjoy their retirement years with each other filling those remaining years of their lives with travel adventure and grandchildren along with making memories only to discover their plans lost upon losing both loves of their lives A surprise event in their lives opens the door to their wildest dreams thus providing the book s title The Day Isn t Over However finding each other living happily ever after proves to be harder the second time around and has become more difficult than the first but they remain steadfast in their live for each other regardless of the newfound obstacles in their way making the love they had discovered for each other s golden years shine brighter The Mayor's Daughter T.
