SAMPLE 1

Writing Situation:

Every year, you and your fellow classmates go on a field trip. The students usually do not like where the school goes for the field trip. You have the opportunity to plan a field trip for your grade level. You will be allowed to decide where you go and what you will do while on the trip.

Most teens do not wish to be supervised or watched over by their parents as they shop and hang out with their friends at the mall. However, many shop owners in malls are complaining of disorderly and disruptive teens being loud and bothering shoppers. Mall owners say teens hang out in large groups and get into trouble. Many malls now require teens to be with an adult while they are there. Do you agree or disagree with having to take your parents with you to the mall? What is your opinion on this issue?

Directions for Writing:

Write a letter to the mall owners explaining your opinion on the issue. Be sure to convince the mall owners of your opinion by including specific details to support your position.

SAMPLE 3

Writing Situation:

A wealthy donor plans to build a new facility that will benefit young people in your area. It could be a swimming pool, a theater, a skateboard park, an art school, or any other facility that would provide young people with constructive ways to spend their time. The donor is not sure what kind of facility would be most useful.

Directions for Writing:

Write a letter to the donor identifying the type of facility you would like to have built, and persuade him/her that your building is the best choice for her. Be sure to support your opinion with convincing reasons and evidence.

SAMPLE 4

Writing Situation:

Your school principal is considering a new policy that will require all students to wear uniforms. What is your position concerning this issue? You must decide if you are for or against the uniforms. How do you feel about this option?

Directions for Writing:

Write a letter to your principal stating your position on school uniforms and supporting it with convincing reasons. Be sure to include specific details and examples that support your opinion.
