JD**

Excel Vehicle Log Book Template:

Pocket PC Clear and Simple Craig Peacock, 2001-01-23 This book dedicated to the Pocket PC devices teaches readers how to use, customize and optimize palm size PCs running Microsoft's forthcoming Pocket PC operating system. The author offers extensive tips, workarounds and innovative solutions that can help readers get the most out of a pocket PC.

Deducting The Right Way Thomas J. Williams, EA, Iris K. Palma, JD, 2020-01-21 2020 updates to our award-nominated book. Author Academy Awards Oct 2019 reflects the latest tax law changes and expanded with two new chapters. Do it yourself accounting and taxes are growing in popularity but often leads to rookie mistakes that can make you fall hard and fast. It's true: look at how many small businesses close their doors during the startup years. Running a profitable business boils down to one thing: the numbers. And going it alone without expert guidance doesn't work out. This book reveals the inside scoop: the authors' gain while helping small business clients with preparing tax returns, paying taxes, bookkeeping, managerial decision making, business plans and ideas, accounting technology recommendations, tax resolution, tax planning and more. You'll learn practical information you can implement right now, whether you're a sole proprietor, freelancer, side hustler, independent contractor, entrepreneur, partnership, LLC or S Corp. Here's what the book reveals: Tax tips accountants aren't always willing to share. The lesser-known problems small business owners face. How tax write-offs affect your tax return. Why bookkeeping is a top priority. How to protect yourself when you make a mistake. Get your copy to find out why deducting the right way helps you operate a more profitable venture. Wallace's Farm and Dairy, 1909 **Vehicle Log Book Template**
