psychology social psychology organizational behavior and world religions and contemplative wisdom traditions to highlight the case for global leadership and followership **Biblical Counsel**, 1993 **Nehemiah on Leadership** Shelley Fisher Ph.D, 2019-07-23 In a time when leadership seems to be in the throes of despair Nehemiah's leadership journey is refreshing At the onset of the book that bears his name he is serving exemplary leaders serve The book depicts the ethical dimensions of leadership as Nehemiah shows compassion for the plight of his people because the walls were down putting them in imminent danger We learn that effective leaders do not compromise their values and they confront improprieties both within and outside of the organization Nehemiah displayed many attributes of an effective leader risk taker for example The law of the land forbade a person from going before the king with a sad countenance however Nehemiah the risk taker prayed and received favor from the king despite his sad countenance In surmounting the challenge of rebuilding the walls he demonstrates the role of the administrator by Praying Planning Goal setting and strategizing Using excellent communication skills Team building and Mediating conflict Nehemiah demonstrates how to deal with conflict Since conflict is inevitable it is important for leaders to know how to resolve it I Can't Come Down displays Nehemiah's focus and perseverance on the task He shows how to structure tasks with diverse groups mayors priests people of all backgrounds including women worked collectively to accomplish the completion of the walls in fifty two days The ageless principles of leadership come in line with contemporary organizational theory Albert Bandura highlights agency self efficacy collective and leadership efficacy as key factors in motivation Organizational theorists view leaders today through the five lenses of motivation communication politics structure and design Finally the reader is challenged to become proactive in his own community by participation persuasion and prayer The concept of positive deviance is suggested as viable for solving problems in neighborhoods It is a misnomer to think in terms of sacred and secular for God is Creator of everything **Strategic Planning: Leadership through Vision** Guy Saffold, 2005 **You Can Lead Effectively!** Mathew Philip, 2008-05 Recent years saw the publication of scores of books on leadership both in Christian circles and in the secular world of politics and business But this book fills in some gaps and will be a valuable addition to them It is written in a style and format that is very reader friendly The ideas are communicated well This book could serve as a good textbook in classes on leadership in theological institutions Back cover

Metaphors of Ministry David W. Bennett, 2004-01-28 Down through the centuries church leaders have studied the Gospels to discover patterns of leadership development that can be applied to their own context Yet the word leader does not appear in the Gospels Could it be that leadership has more to do with learning to follow than learning to command supervise or manage On right attitudes than on mastery of certain skills Many of the insights we need are embedded in the images which Jesus used to describe his followers So David W Bennett introduces his stimulating and scholarly study previously published under the title Biblical Images for Leaders and Followers He examines the many images and metaphors in the Gospels relating to how disciples follow Jesus and in turn influence others Then he moves on to survey much of the evidence

to be found in the images of the rest of the New Testament Finally he draws some judicious conclusions for an understanding of Christian leadership in our own day The author has considerable cross cultural experience having taught church leaders in Japan India the Philippines Papua New Guinea Malaysia India Nepal Tanzania and Kenya in addition to pastoring churches in California Oregon and Massachusetts He has also traveled and done research among church leaders in Malawi South Africa Brazil Argentina Cambodia Vietnam China Korea Thailand Russia and the Czech Republic His aim is to stimulate thought on these questions in churches all over the world not just in the west **A New Vision, a New Heart, a Renewed Call** David
