

# BASIC OUTLINE OF AN EXEGETICAL PAPER

## Cover Page

1. Title which includes key terms/concepts of study, and reference to passage under discussion
2. Author
3. Date
4. Provenance if desired

## Introduction (the Plan)

1. Topic
2. Thesis statement
3. Assumptions and other pertinent background information (e.g., author, audience, date, provenance, rhetorical situation, historical event(s) that provided the "occasion" for the text)
4. A brief "history of research" on your passage (designed to segue into your argument and establish why it is significant)
5. Methodology—what approach you will take toward the text (e.g., historical, liberationist, social-scientific) and why
6. A sketch of how you will proceed in proving your thesis

## Body (the Argument)

1. Argument establishing your views about the text-critical, literary, rhetorical, and historical aspects of the passage
2. How the passage fits into its literary context
3. Form, source, and other historical critical issues (other than your main method) and how they shed light on the passage and shape your application of the main method (remember to explicitly name each method when you use it)
4. Application of the contemporary, critical exegetical method(s) you have decided to "feature" in this investigation, and discussion of how it resolves current issues of scholarly debate
5. Exposition of what/how the text meant to its original audience
6. Analysis of the ethical or theological implications of your exegesis for a specific contemporary audience of your choice

## Conclusion

1. How your thesis has been proven
2. Remaining issues/opportunities for further research

# HEADINGS & REFERENCES

## HIERARCHY OF HEADINGS

If fewer than five levels of headings are needed, any of the following may be omitted, but the ones used must follow this order.

1. Centered, underlined or boldface, capitalized
2. Centered, not underlined or in bold, capitalized
3. Left side heading, underlined or boldface, caps-headline
4. Left side heading, not underlined or bold, capitalized sentence style - eg: *The Gospel as it related to Jesus.*
5. Run into paragraph & underlined or in boldface, cap. sentence style eg: *The gospel legalized in the Church.* The gospel that....

## WHAT NEEDS A REFERENCE?

Students often struggle with when and how to document outside materials they incorporate into research papers. The rules are new and sometimes confusing when first encountered. To provide some practice applying the principles, here are some examples that are at the same time familiar, perhaps a tad bit funny, and very instructive.

### Rules

1. Do **not** document:
  1. Your own ideas about what you read
  2. Minor details
  3. Your own editorializing
2. Do document:
  1. All quotations
  2. All paraphrases
  3. All ideas you learned from someone else
  4. Facts from the reading that you are using to make an argument concerning how to interpret the text

# Exegetical Paper Outline

**J. Scott Duvall, J. Daniel Hays**

## Exegetical Paper Outline:

Elements of Biblical Exegesis Michael J. Gorman, 2020-11-03 World renowned scholar Michael Gorman presents a straightforward approach to the complex task of biblical exegesis This third edition of Gorman's widely used and trusted textbook over 60 000 copies sold has been thoroughly updated and revised to reflect developments in the academy and the classroom over the past decade The new edition explains recent developments in theological interpretation and explores missional and non Western readings of the biblical text Adaptable for students in various settings it includes clear explanations practical hints suggested exercises and sample papers

*Grasping God's Word* J. Scott Duvall, J. Daniel Hays, 2012-05-08 Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves The third edition revised based on feedback from professors will continue to serve college level students and lay learners well in their quest to gain a firm grasp on the rock of God's word Old Testament scholar J Daniel Hays and New Testament expert J Scott Duvall provide practical hands on exercises to guide students through the interpretive process To emphasize the Bible's redemptive arc and encourage correlation across the biblical canon the authors have included a call to Consult the biblical map How does a theological principle fit with the rest of the Bible as an additional step in the Interpretive Journey This edition has also been rearranged for clarity and includes updated illustrations appendices bibliography and assignments A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies These include a workbook video lectures for each chapter featuring the authors and a laminated quick study sheet with key concepts from the book

Biblical Hermeneutics Bruce Corley, Steve Lemke, Grant Lovejoy, 2002 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics

**Grasping God's Word Workbook** J. Scott Duvall, J. Daniel Hays, 2014-11-04 The widely used Grasping God's Word now in a revised third edition teaches the foundational principles and tools of biblical interpretation J Scott Duvall who specializes in New Testament studies and Old Testament scholar J Daniel Hays survey numerous biblical passages demonstrating solid interpretive strategies for understanding the Bible This workbook is designed to use alongside the Grasping God's Word textbook following its structure with activities that offer additional practice for all the elements of faithful scholarship as they are presented College level students and other serious learners will have the opportunity to try out their interpretive skills by applying them to specific genres and contexts Both Grasping God's Word and Grasping God's Word Workbook treat Scripture as the solid rock of Christian faith one that students will grip more easily when they know how to read it how to interpret it and how to apply it

*A Handbook for Basic Biblical Exegesis* Samuel R. Thorpe, 1999-02-18 This handbook for Greek Hebrew and English Bible students systematically explains what exegesis is and how to prepare an exegesis paper Seven chapters outline the major headings that can be used in the exegesis paper initial translation textual linguistic historical literary and theological analysis and application Lacks an index

Annotation copyrighted by Book News Inc Portland OR     **A Broadening Conversation** Melody Layton McMahon, David R. Stewart, 2006-05-26 As the American Theological Library Association ATLA celebrates the important milestone of its 60th anniversary this year the editors have brought together in a single volume anthology some of the best contributions to this field Essays and papers from the past sixty years are grouped into six topical chapters theological librarianship s characteristics dimensions educational role settings development within ATLA s sixty years and most noteworthy changes each of which is introduced by a present day theological librarian This collection is likely to be valuable in many ways as a compendium of wisdom and best practices over several generations as a means of securing a grasp of how ATLA s importance and influence as an association has grown over time and even for the way it brings back to light the life and work of so many fine librarians Raymond Morris Yale Divinity Library and Julia Pettee Union Theological Seminary among them Even more important A Broadening Conversation affirms vividly that instead of the ethos of tradition and continuity that one might suppose a mix of trusted routines with perpetual change is what has always been on the menu for theological librarians in their daily work This is at the heart of what continues to make theological librarianship such a challenging and rewarding vocation     *Grasping God's Word Workbook, Fourth Edition* J. Scott Duvall, J. Daniel Hays, 2020-10-13 A Companion WORKBOOK to Today s Most Widely Used Textbook for Learning to Interpret and Understand the Bible Grasping God s Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves This WORKBOOK is designed for use alongside the fourth edition of the textbook Grasping God s Word While the textbook shows you the principles and tools of interpretation the WORKBOOK lets you try them out by applying them to specific genres and contexts Together these books will help you get a grip on the solid rock of Scripture how to read it how to interpret it and how to apply it Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include Proven in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Updates corresponding to the fourth edition of the textbook including new exercises Accompanying textbook video lectures laminated study guide sold separately When used alongside the textbook this workbook is the ideal resource for anyone looking for a hands on step by step guide that will teach them how to accurately and faithfully interpret the Bible     *Grasping God's Word, Fourth Edition* J. Scott Duvall, J. Daniel Hays, 2020-10-13 A Proven Approach to Help You Interpret and Understand the Bible Grasping God s Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves This book will equip you with a five step Interpretive Journey that will help you make sense of any passage in the Bible It will also guide you through all the different genres found in the Bible to help you learn the specifics of

how to best approach each one Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include Proven in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook video lectures laminated study guide sold separately This fourth edition includes revised chapters on word studies and Bible translations updated illustrations cultural references bibliography and assignments This book is the ideal resource for anyone looking for a step by step guide that will teach them how to accurately and faithfully interpret the Bible Prima Scriptura N. Clayton Croy, 2011-04-01 In this volume an expert teacher of the Bible provides an introduction to New Testament exegesis that will appeal to students across the spectrum Clayton Croy begins with the preparation of the interpreter proceeds to analysis of the text and concludes with appropriation of the message of Scripture in the context of modern faith communities He combines a step by step plan for historical exegesis with substantive discussion of broader hermeneutical issues The book interacts with recent scholarship and is academically rigorous but is written in an engaging style incorporating anecdotes humor scriptural illustrations and examples of the practical payoff of disciplined interpretation Each chapter includes discussion questions and suggestions for further reading

**Quality Research Papers** Nancy J. Vyhmeister, 2001 A guide to writing theological research papers covering all aspects of the process ranging from choosing a topic to organizing and formatting the paper First-Century Gospel Storytellers and Audiences Thomas E. Boomershine, 2022-07-29 These essays explore the reconception of the Gospels as first century compositions of sound performed for audiences by storytellers rather than the anachronistic picture of a series of texts read by individual readers The new paradigm implicit in these initial experiments is based on the recent realization that the majority of persons 85 to 95 percent were illiterate and experienced the Jesus stories as members of audiences Either from memory or from memorized manuscripts the evangelists performed the Gospels as an evening s entertainment of two to four hours The audiences were predominantly addressed as Hellenistic Judeans who lived in the aftermath of the Roman Jewish war When heard whole the Gospels were vivid experiences of the central character of Jesus These studies of audience address and the interactions between first century storytellers and audiences reveal a dynamic performance literature that functioned as scripts for an ever expanding network of storytelling proclamations whose envisioned horizon was the whole world When the Gospels were told at one time from beginning to end they invited the listeners to move from being peripherally interested or initially opposed to Jesus to identifying themselves as disciples of Jesus and believers in him as the Messiah *To what End Exegesis?* Gordon D. Fee, 2001 This insightful work amply demonstrates Fee s mastery of the exegetical task and illustrates the goal of exegesis in the service of both academy and church He explores a wide range of concerns for readers and interpreters of the New Testament **Critical and Exegetical Hand-book to the Epistle to the**

**Romans** Heinrich August Wilhelm Meyer, 1884      A Study Companion to the Bible Anthony Le Donne, Jerry L. Sumney, 2014  
 Jerry L. Sumney's *The Bible: An Introduction* offers clear answers to the most basic questions that first-time students and curious inquirers bring to the Bible. *The Study Companion* is a handy complement to the textbook, providing primary readings and a running glossary of terms keyed to the textbook, along with exercises for further reflection.      Host Bibliographic Record for Bound with Item Barcode 30112114015735 and Others, 1907      A Commentary on Romans John D. Harvey, 2019-03-26  
 An exegetical and practical commentary for pastors and teachers. This volume in the Kregel Exegetical Library combines up-to-date scholarship and concrete application to serve as an ideal guide for preaching and teaching the foundational New Testament book of Romans. After an in-depth introduction that surveys the book's key elements, reception history, literary devices, and current scholarly debates, John D. Harvey provides a thorough explanation of every verse of Romans, followed by theological insights and hands-on takeaways. Readers will benefit from Harvey's approach, which asks and answers three questions about each verse: 1. What did Paul say? 2. Why did he say it? 3. What should I do with it? Outlines and summaries provide useful homiletical and pedagogical tools, while footnotes point to resources for further study.

**Biblical Exegesis, Third Edition** John H. Hayes, Carl R. Holladay, 2007-03-19  
 John Hayes and Carl Holladay have thoroughly revised and expanded this best-selling textbook, adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis. All bibliographies have been updated, and Scripture has been converted to the NRSV. This new edition retains the features of the early editions: a minimum of technical terms, solid introductory guidelines in exegetical methods, and a valuable presentation of exegetical theory and practice. It is ideal for general introductory exegesis courses, introductions to the Old and New Testaments, and introduction to preaching, as well as for pastors and lay leaders.

*Quality Research Papers* Nancy Jean Vyhmeister, 2009-06-26  
 Nancy Vyhmeister's *Quality Research Papers* is fast becoming a standard reference textbook for writing research papers in the field of religion and theology. It takes the student from the beginning assignment of a paper through the research phase to the finished paper. This second edition gives improvements and added material for such things as the expanding field of online research and doing church-related research in a professional manner. Resources for doing research are updated throughout the book.

*Depth Psychology and Mysticism* Thomas Cattoi, David M. Odorisio, 2018-05-16  
 Since the late 19th century, when the new science of psychology and interest in esoteric and occult phenomena converged, leading to the discovery of the unconscious, the dual disciplines of depth psychology and mysticism have been wed in an often unholy union. Continuing in this tradition and the challenges it carries, this volume includes a variety of interdisciplinary approaches to the study of depth psychology, mysticism, and mystical experience, spanning the fields of theology, religious studies, and the psychology of religion. Chapters include inquiries into the nature of self and consciousness, questions regarding the status and limits of mysticism and mystical phenomenon, and approaches to these topics from multiple depth psychological traditions.

*Critical and Exegetical Hand-book to the New*

*Testament* Heinrich August Wilhelm Meyer, 1884

## Decoding **Exegetical Paper Outline**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Exegetical Paper Outline**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
