Students is a brand new title specifically designed to meet the needs of today's students. It is perfect for student reference and everyday study needs. The thesaurus text is accessible and easy to use with the most useful and common synonyms placed first. Throughout the thesaurus text there are notes giving advice on commonly confused words such as empathy, sympathy and affect, effect. The thesaurus has been market tested with both teachers and students. Of particular relevance is the centre supplement which gives lots of practical information to help students use a thesaurus and write more effectively. As well as the printed book there is an Online Resource Centre accessed via weblinks given in the book which gives additional information and study skills support. This portable and affordable thesaurus is an essential reference tool for all college and university students who need practical advice and tips to tackle their studies and those who want to write effectively and with confidence.

Concise Oxford Thesaurus Sara Hawker, Maurice Waite, 2007-06-14. This is a new edition of the Concise Oxford Thesaurus with updated and improved text, new choices of synonyms and a new design. The Concise Oxford Thesaurus is a comprehensive reference text for the bookshelf at home or in the office. Its usefulness means that it won't stay on the shelf; however, the thesaurus is the perfect tool to use to improve your writing style, whether you are composing a letter, essay or report or writing creatively. It is also great for finding the word on the tip of your tongue or for word games. The new centre section in this Concise Oxford Thesaurus contains lists of nouns from illnesses to insects and vegetables to veins to give you the edge in solving crosswords and word puzzles as well as being a useful encyclopedic reference. The Concise Oxford Thesaurus also contains Word Links to help you find related words. So for example, look up the word night and you will find nocturnal; look up light and you will find optics. Hundreds more have been added new to this edition, helping you find the word you need every time. The thesaurus includes 12 months access to Oxford's premium online dictionary and thesaurus service, Oxford Dictionaries Online, updated regularly with the latest developments to words and meanings so you will have the most accurate picture of English available. Find out more about our living language using Oxford Dictionaries Online. Hear how words are spoken with thousands of audio pronunciations and access over 1.9 million real English example sentences to see how words are used in context. Improve your confidence in writing with helpful grammar and punctuation guides, full thesaurus information, style and usage help and much more. Available in selected markets: UK, Europe, Australia, Canada and South Africa. Terms and conditions apply; please see www.oxforddictionaries.com access for information.
