- If you don't mention the author's last name in the signal phrase, you should include it in parentheses at the end of the sentence.
- For clarity, some sources might include the article title in parentheses at the end of the citation instead of in the signal phrase.
- Do not repeat information. If you include the author's name in the article title in the signal phrase, do not repeat this information in parentheses at the end of the citation.

#### Example Signal Phrases:
