examines the ancient context of Scripture explaining how its supernatural worldview can help us grow in our understanding of God He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight You ll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for God s Word Why wasn t Eve surprised when the serpent spoke to her How did descendants of the Nephilim survive the flood Why did Jacob fuse Yahweh and his Angel together in his prayer Who are the assembly of divine beings that God presides over In what way do those beings participate in God s decisions Why do Peter and Jude promote belief in imprisoned spirits Why does Paul describe evil spirits in terms of geographical rulership Who are the glorious ones that even angels dare not rebuke After reading this book you may never read your Bible the same way again Endorsements There is a world referred to in the Scripture that is quite unseen but also quite present and active Michael Heiser s *The Unseen Realm* seeks to unmask this world Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture The book is clear and well done treating many ideas and themes that often go unseen themselves With this book such themes will no longer be neglected so read it and discover a new realm for reflection about what Scripture teaches Darrell L Bock Executive Director for Cultural Engagement Senior Research Professor of New Testament Studies Howard G Hendricks Center for Christian Leadership and Cultural Engagement How was it possible that I had never seen that before Dr Heiser s survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped No one is going to agree with everything in his book but the subject deserves careful study and so does this book John Goldingay David Allan Hubbard Professor of Old Testament School of Theology Fuller Theological Seminary This is a big book in the best sense of the term It is big in its scope and in its depth of analysis Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context All scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments particularly as their eyes are opened to the Bible s unseen world Tremper Longman III Robert H Gundry Professor of Biblical Studies Westmont College *Dictionary of the Old Testament: Prophets* Mark J. Boda, J. Gordon McConville, 2013-05-14 With this new volume IVP s Black Dictionary series completes its coverage of the Old Testament canonical books A true compendium of recent scholarship the volume includes 115 articles covering all aspects of Isaiah Jeremiah Ezekiel the twelve minor prophets and Daniel **The Psalms in the New Testament** Rev. Steven D. Harduk BRE MDiv CH, 2022-07-18 The Psalms in the New Testament is a study of various Psalm quotations in the New Testament with addition material on the Psalms their structure history theology themes and use in worship The Psalms are more than exquisite and emotional expressions of our faith they reveal the foundation and unity of our theology They show that our New Testament beliefs are rooted in the Old Testament Our Judeo Christian faith is ancient yet just as relevant today as it was thousands of years ago The focus is upon seventeen specific Psalm quotes to show the wonderful theology in the Psalms which fully merges into the New Testament especially in the area of Christology In studying

XII), Leviticus, Numbers and Deuteronomy** ,1889     Moses--his First and

Second Coming : the Exodus in the Light of Prophecy Arno Clemens Gaebelein,1940     **Rebels with Insufficient Cause** J. M. Sparrow,2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America Dr J M Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God s designs for humanity will experience chaos but every person and social group that submits to God s designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units
