Precious thought that she had found a good man in Darrell, but quickly found out that he was no different than the previous men that she had chosen. Giving up on thinking she will never find a good man, in walks Bill. Finding love is not always easy and doesn't always come packaged the way we think it should.

Precious felt things were finally going well then tragedy strikes and she has to rely on the faith of friends, parents, and her ever loving grandmother to pull her through.

While struggling with her own faith Precious has to also deal with a crazy ex, a bigoted old woman, and another unexpected surprise. It's not until Precious relies on her own faith that things start to turn around.

Gilles, 2020-04-18 Wait Another book about faith Yes but this one is quite different Faith is a non exhaustive subject Here you will find basic evidence not couched in theology or philosophy of why faith in Jesus Christ is necessary and crucial If you are a nonbeliever this book will lay out reasons why you should give Christianity another look or maybe a first look If you are a Christian this book will not only reinforce and strengthen your belief but will be an excellent resource for nonbelieving friends or relatives who are intent on casting Jesus aside Faith is Not Important It is Everything is a common sense look into faith in Jesus Christ and the fact that being born again is the only path to salvation Author Mike Gilles asks the reader to examine the evidence presented in this book and determine if it is reasonable and logical to accept them as fact      *Oil and Gas Lands, Red River, Oklahoma. Department of the Interior,1962 The American and English Encyclopaedia of Law David Shephard Garland,Lucius Polk McGehee,James Cockcroft,Charles Porterfield,1900 Defending Your Faith Arturo R. Ortiz,2023-11-29 This book presents substantial scientific archaeological and historical evidence in support of the Christian worldview The author argues Christianity is the only religion that affirms God as revealed by nature identifies the terrible predicament of mankind lost in sin provides a unique solution to the predicament and is confirmed true by miracles Classical arguments for the existence of God are presented in detail Evidence from modern astronomy reveals a cosmos that had an absolute beginning was stretched and is decaying Evidence from modern science reveals the earth is a privileged planet uniquely suited for intelligent life not by chance but by design The inadequacies of evolutionary theory are explained The author argues intelligent design and creation are superior explanations for the origin of life and the appearance of complex living organisms Ancient Assyrian chronicles and monuments provide extrabiblical evidence of Old Testament people places and events The Old Testament Law which appears harsh by our contemporary standards is amazingly merciful when examined in its ancient Near East context Archaeological evidence confirms that Israel s pagan neighbors engaged in hideous religious practices including extensive child sacrifice The evidence shows God had morally sufficient reasons to destroy the pagan Canaanite nations Historical evidence supports belief in the resurrection of Jesus Christ and in the subsequent rise of the early church The author presents evidence from both Christian and non Christian sources from the New Testament era Examination of ancient manuscripts confirms the Bible was preserved transmitted and translated accurately throughout history The author contrasts Judaism Christianity and Islam as examples of monotheistic ethical religions He argues that while all three affirm certain truths only Christianity solves mankind s predicament of being lost in sin Christian truth stands on the greatest miracle of all the resurrection of Christ and His bodily appearances confirmed by eyewitnesses **Christian Zen** William Johnston,1997 When Christian Zen was first published in the early 1970 s it was reviewed enthusiastically in many parts of the world A subsequent edition added new material from the author s experience This latest edition from Fordham University Press includes a new Preface by the author and a letter to the author from the Christian mystic Thomas Merton written shortly

before Merton's untimely death William Johnston presents a study of Zen meditation in the light of Christian mysticism

*Faith Building Nuggets for Ordinary People* Maryellen Christmas, 2020-06-04 Having faith and using it is essential towards pleasing God. God has given every man a measure of faith. Without faith we often fail to see God's miraculous power demonstrated. Jesus Christ the same yesterday and today and forever. Hebrew 13:8 is absolutely a true statement. He is looking for people who will allow Him to work through them so that His name may be illuminated. God will not overlook you. He seeks to find them who are willing and obedient. For there is no respect of person with God. Romans 2:11. Just as He used people in days of old from all walks of life He will do the same today. People like you and me. During the process He will develop His character in us. He will use all who avail themselves to him as He strengthens them just as He strengthens those He used in Biblical times. Ordinary People. God is forever faithful to everyone who put his or her trust in Him. Do not stand back while second guessing God. Yes He still speaks to people. Ask Him to keen your discernment of spirits that you may recognize His voice whenever He is speaking to you.

Digest of Decisions in Cases Relating to the Public Lands (Indian Matters Included). United States. Department of the Interior, 1962      The End of Democracy and Faith Sean Wallace, 2016-03-15 We are born into an automatic social contract democracy that we never consent to. While seemingly championing the individual and the value of individual choice, democracy ultimately degenerates into collectivism and mob rule. Coupled with a reified religious mythology

widespread economic and market collapse and deep political corruption the individual is lost within a democracy to the collective majority However can a just viable form of governance and society exist without the coercion of democracy The End of Democracy and Faith presents an alternative vision that wrests the value of individual choice from mob rule and restores the consent and supremacy of the individual in the social contract Eschewing faith and hope instead for a movement toward building bonds with our fellow men and women and for taking the reins and helping each other save our future it explores the connections between our morality identity history philosophy and economy And with the introduction of the concept of the voluntary state it offers a philosophical foundation in support of using freedom instead of coercion to handle our responsibilities regarding our own income retirement health care and way of life The promises of democracy and any individualism inherent to the founding of the nation have been largely replaced by a perilous disenfranchising collectivism Pursuing an alternative social reality one that can truly enable free markets overcome religious myth and restore individual choice represents a true challenge to the moral depravity of democracy and faith There are certain elements holding back our economy the author asserts though economists rarely make mention of them due to their status as societal sacred cows His arguments against democracy are the most engaging sections of the book in part because such cases are so infrequently made Kirkus Reviews
