**Lending Loan Processing Level 2** Kenney, 2011-03 Congratulations on your decision to improve your skills and knowledge  
base to increase your career potential The breadth of skills you have mastered to reach a level of competence where you feel  
secure in stating that you are ready for an advanced degree of training is enormous This course is an advanced education  
program for professional Mortgage Loan Processors who have the experience and skills in place that allow them to perform  
their job efficiently What we will do in the coming days is fine tune your advanced practices to incorporate new upper level  
skills into your workday These new practices and skills will assist you in understanding the advanced practices your packages  
undergo as they move through the loan strategy planning underwriting and approval processes This new understanding will  
assist you in gaining the ability to qualify your packages before they reach the desk of the underwriter You will learn to  
assess each item that may create an additional stipulation or slow the loan process before you submit the package to the  
underwriter This ability will enable you to address many of these issues before it even becomes an issue Competently  
handling potential problems before they develop into a true roadblock in the path to closing the loan will dramatically smooth  
your processes You will decrease the time from loan submittal to loan closing and promote a higher level of satisfaction  
within each individual involved in the loan process The materials in this course are applicable for all levels within the  
mortgage office structure The materials you will review in the following days are materials that cross over every position  
within the system and lead to the path to success When you have completed the course inclusions you will know that you are  
walking into your office better skilled and with more promotion potential than those who have not taken the initiative to  
improve their career building skills Moreover you will know that you obtained this advanced degree of knowledge and skill  
because you have a special spark and forward moving potential that made you a candidate for enrollment You have shown  
that you have excellent tools and proven techniques you use on a daily basis to ensure you perform your duties in a  
professional and efficient manner This course will not attempt to alter your excellent performance but rather will fine tune

certain aspects of your professional skills to lead you to greater success both on a daily basis and throughout your career. Once you have mastered the skills included you will find that your workday progresses more smoothly. There will be enough time in the day to complete each task on your desk. **Home Mortgage Loan Processing - Mortgage Lending** Kenney, 2011-03 Mortgage lending is one of the most secure, respected and exciting career opportunities available. Each day will bring you challenges that you will overcome, the excitement of helping to create a loan program that meets the needs of both the borrower and the lender, and the satisfaction of helping each borrower achieve their dreams of home ownership. Home Mortgage Loan Processing is an excellent career opportunity that provides stability, advancement and a sense of satisfaction to each loan processor who obtains the knowledge and skills necessary to excel within the profession. The training contained in the course provides specific information concerning the loan process and the part you and others play in that process. The information we offer in this program provides you with the foundation that you need to become a well rounded mortgage professional. The top of your field you will specialize in the overall picture. You will develop the perfect mix of knowledge and skills, add to it the creativity required when overcoming the specific issues that occur during the loan process, and gain the ability to reach the top of your profession. The skills you are attaining will make you a commodity that is in high demand in the market. Loan officers need efficient loan processors to function well and to achieve success. Underwriters rely on well trained loan processors to ensure competently prepared loan files. Lending institutions depend on carefully trained and customer service oriented loan processors to enhance their reputation as a lender who cares about the overall experience of each borrower. The room for advancement within the field of home mortgage lending is tremendous. Mortgage lending is a growing industry. This continued growth creates a constant need for properly trained professionals. You will be an integral part of this industry from the first day on the job. As an important part of the industry you will prove your desire, drive and abilities daily and thus ensure that advancement opportunities come your way. Loan processing is more than just processing paper. You will be involved in nearly every aspect of the loan. Lending is an exciting industry that fulfills the dreams of your borrowers. A primary portion of your new position will be to assist every individual in overcoming any issue that arises during the loan process that may delay or even stop the loan closing. You will play an essential role in ensuring that each borrower whose file comes across your desk fulfills their dream and becomes a homeowner. The satisfaction you receive from a job well done will keep you excited to return to work each day. Your loan officer and loan office will have small goals as well as large goals. You will be one of the most important components in reaching those goals.
