L'Union européenne traverse une grave crise de légitimité. Les Européens ne font plus confiance aux institutions de l'UE, ce qui est le plus bas niveau jamais atteint. Une majorité croissante de citoyens considère que leur voix n'est pas assez entendue. Pour mesurer l'origine et la portée de cette fracture structurelle, cet ouvrage présente l'originalité de combiner deux approches trop souvent dissociées : d'une part, en centrant l'analyse sur un registre théorique et normatif, à partir du concept de légitimité renouvelant par lui-même la thèse du fameux « déficit démocratique » qui ne permet pas en réalité de cerner avec précision ce qui est en jeu dans cette fracture politique et démocratique ; la crise de la légitimité libérale ainsi que la nature impolitique de la démocratie européenne ; d'autre part, en mettant l'accent sur une analyse sociologique, qui repose fait plus rare sur une pratique et une expérience concrètes des Affaires européennes. L'autre originalité de cet ouvrage est que rebours d'une tendance dominante dans la science politique contemporaine, il développe une théorie prescriptive de la politisation de l'Union européenne, proposant des changements concrets pour réduire cette fracture politique et résoudre la crise de légitimité qui affecte l'Union européenne.

Comment construire l'Europe politique René Courtin, European Movement, 1962

L'Europe par le marché Nicolas Jabko, 2009-10-26T00:00:00+01:00

Pour comprendre le sens de la construction européenne aujourd'hui, cet ouvrage propose de revenir sur ses principales avancées depuis le milieu des années 1980. Il dissèque la stratégie politique qui a guidé la construction du marché unique et de l'euro. Le langage commun et officiel de ces deux projets n'est autre que celui des formes de marché. Mais le marché n'est en fait qu'un vaste répertoire d'idées dans lequel les partisans de l'Europe ont puisé assez librement en fonction des circonstances. Le langage du marché a ainsi été le ciment d'une alliance a priori fortement improbable entre des acteurs politiques très différents. À travers la mise en place du marché unique, dans le domaine de la finance, des services collectifs, des fonds structurels de l'Union, et à travers la création de l'Union économique et monétaire, ce livre met en évidence le double visage de l'Union européenne qui incarne la fois des idées libérales et des idées fondamentalement étrangères au libéralisme économique.

This is likewise one of the factors by obtaining the soft documents of this **Geacuteopolitique De Leurope Impulsion** by online. You might not require more times to spend to go to the books instigation as well as search for them. In some cases, you likewise reach not discover the revelation Geacuteopolitique De Leurope Impulsion that you are looking for. It will definitely squander the time.

However below, gone you visit this web page, it will be for that reason utterly easy to get as capably as download lead Geacuteopolitique De Leurope Impulsion
