

EXPANDING VOTING RIGHTS

In 2019, local youth movement Und18 pledged and successfully pushed the Constitution Amendment Bill 2019, which involves lowering voters' minimum age and implementing an automatic voter registration.

Supporters of the bill said those aged 18 and above should be given the right to participate in politics as this is also the legal age to obtain employment and start a family. Those who are against it reason that youth aged between 18 and 21 are immature and easily

swayed as voter education is almost non-existent in our formal education syllabus.

The Electoral Commission of Malaysia (EC) predicted that at least 3.5 million voters in the upcoming general election (2023) would be in this age category. However, the general election will likely be held before the bill becomes effective, given the extension of its implementation to September 2022.

What the Constitution Amendment Bill 2019 entails

Online manual registration procedure for incoming voters

In July 2019, the EC launched the MySPR Daftar portal for new voters to register themselves. Incoming voters are only required to submit their details, including full name, home address, mobile phone number, email address, the front image of their MyKad and a selfie with their MyKad.

The EC updates the electoral rolls and certifies all new voter registrations on a quarterly basis. Each voter certification process is completed two months after the end of each quarter. One is eligible to vote once-certified.

QUARTER	PERIOD	VOTER CERTIFICATION
1st	Jan 1 to March 31	May
2nd	April 1 to June 30	August
3rd	July 1 to Sept 31	November
4th	Oct 1 to Dec 31	February
