

Guided Reading Activity Answer Key

Lesson 3 The National State and Democracy {pages 575-579}

1) What were three signs that democracy was expanding in Western Europe?

Universal male suffrage laws were passed; in countries with a prime minister, the prime minister was responsible to the popularly elected legislative body rather than a king or president; political parties formed.

2) What were the three main political parties in Great Britain during the 1800s? Describe the efforts made by each to gain popular support.

The Conservative party helped pass laws that expanded the right to vote; the Liberal also helped pass voting rights laws and voted for social reforms such as unemployment benefits and old-age pensions; the Labour party dedicated itself to the interest of workers.
