Language and Word Studies

If you're searching for a specific passage, being too specific with your verse range might limit your search too much.

For example "Matthew 28:18-20" might not bring you resources that are about Matthew 28:18 or Matthew 28:16-20.

Be flexible with your verse range or use topical names, like "Great Commission."

Online resources for language and word study are best completed by selecting a Benner Library database:

- [Summon](#): Limit to full-text online and ebook
- See [article databases](#) listed below. Search by specific topic or passage.

For example: "Sermon on the mount" AND language OR speech OR study
