*Developing Children's Critical Thinking through Picturebooks* Mary Roche, 2014-07-25 This accessible text will show students and class teachers how they can enable their pupils to become critical thinkers through the medium of picturebooks. By introducing children to the notion of making meaning together through thinking and discussion Roche focuses on carefully chosen picturebooks as a stimulus for discussion and shows how they can constitute an accessible multimodal resource for adding to literacy skills while at the same time developing in pupils a far wider range of literary understanding. By allowing time for thinking about and digesting the pictures as well as the text and then engaging pupils in classroom discussion this book highlights a powerful means of developing children's oral language ability critical thinking and visual literacy while also acting as a rich resource for developing children's literary understanding. Throughout Roche provides rich data and examples from real classroom practice. This book also provides an overview of recent international research on doing interactive read alouds on what critical literacy means on what critical thinking means and on picturebooks themselves. Lecturers on teacher education courses for early years or primary levels classroom teachers pre service education students and all those interested in promoting critical engagement and dialogue about literature will find this an engaging and very insightful text. *Comfort*, 1899 **Journal of Education**, 1892 Popular Mechanics, 2000-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world.
