Doody's Reviews *Reading EEGs: A Practical Approach* L. John Greenfield, James D. Geyer, Paul R. Carney, 2012-03-28 *Reading EEGs: A Practical Approach* focuses on pattern recognition and pattern comparison. The concepts of pattern recognition are developed in a logical fashion based on appearance rather than disease process. The book teaches waveform recognition so that the reader can generate a differential diagnosis based on that recognition. This book also incorporates a question and answer format that is effective for students at multiple levels of training. A unique feature of the book is that it follows a teaching methodology in which
