plight of the Spanish people known around the world In *A Shadow of Treason* Sophie discovers that nothing is as she first imagined When Walt the reporter who helped her over the border shows up again after Guernica is bombed Sophie is given an impossible mission She must leave behind the man she s fallen in love with and return to the person who betrayed her Another layer of the war in Spain is revealed as Sophie is drawn into the international espionage schemes that could turn the tide of the war and help protect the soldiers from the International Brigade she must find a way to get a critical peice of information to Walt in time In *A Whisper of Freedom* battles heat up not only those being waged by the soldiers on both sides fighting for Spain but in the hearts and minds of the men and women who must sacrifice more than their dreams in order to save the lives of their loved ones In this meticulously researched novel brave and idealistic Sophie Philip Jose and Deion realize their only hope for freedom is escaping Spain s borders By continuing the story of this band of volunteers during the Spanish Civil War *A Whisper of Freedom* proves that courage and commitment don t always result in outward victory But there are whispers of hope and freedom that resonate through even the darkest night **Love and War** Sian

Kingdom of God Robert Hernan Cubillos,2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre **Love and War** John Jakes,2012-07-10

Of Love and War Paul Doherty,2013-07-11 The war may be over but devastating secrets are about to come to light Of Love and War is a compelling tale of love guilt and retribution in the aftermath of the Great War from masterful writer Paul Doherty Perfect for fans of Pat Barker and Sebastian Barry A powerful and poignant novel with echoes of Birdsong and Gallipoli Paul Doherty's exuberant story of love guilt and retribution vividly captures the courage and tragedy of the Great War's survivors as they face an uncertain future Newcastle Evening Chronicle In 1921 Lieutenant Henry Gilpin is scouring the country seeking out those who perhaps did not do their best for king and country in the Great War In the mining town of Crouden Jack Aylward's name is on the top of his list Many men never returned to Crouden from the mud of Northern France the survivors are tragically altered Gilpin may exorcise their ghosts but he brings new terrors with his justice Kitty Aylward

watches in horror as he tears apart the lives of people she has loved and respected After a wonderful childhood with her constant companions Billy and Jack Kitty had finally married Billy but before he left to fight Billy asked for one strange promise if he should die she must marry his closest friend When her husband was killed kept her oath but now she slowly realises that Gilpin could hold a terrible secret concerning Jack and Billy s death What readers are saying about Paul Doherty A tremendous and absorbing read The sounds and smells of the period seem to waft from the pages of Paul Doherty s books Five stars **International Journal of Ethics** ,1916 Includes section Book reviews [Faith, Hope and Love](#) Ray Gaston,2017-09-30 Often Christian interfaith engagement has been viewed through the lense of theology of religions where the primary questions are often about the salvific destiny of people of other faiths Faith Hope and Love offers an alternative approach asking how do Christian interfaith practitioners live out their discipleship in a multi faith world And what theologically is being expressed in their activity Demonstrating a new and innovative approach to interfaith engagement this book argues for theological reflection on the multi faith reality of our society to focus on the practice of Christian interfaith engagement drawing on the methodology of practical theology to explore the impact of encounter on Christian self understanding It suggests that other faith traditions are no longer a theological problem to be solved or people to be saved but a potential means of grace in which the Christian disciple learns more about God and grows in their relationship with Christ *L'An e et le Ruisseau. Faith, Hope, and Love in the Technological Society Franz A. Foltz, Frederick A. Foltz, 2018-07-31 Franz and Frederick Foltz examine how modern technology creates an environment that significantly affects Christianity by reducing the mysteries of faith to manageable techniques The body of their work analyzes the effects of technology on the theological virtues of faith hope and love the triad that believers have used for a common narrative to understand and express their thoughts and experiences They begin by looking at how recent developments have brought us into a post truth era by removing words from their context in nature time place and community Popular theologies such as the power of positive thinking the laws of creation the plan for salvation and the prosperity gospel reflect this change by gearing all for efficiently getting what we want and ignoring tradition The authors then examine each of the virtues separately finding that faith has become a risk management tool that depends on confidence in systems rather than personal relationships hope is defined as the expectation that our present desires shall be granted rather than a vision of the future and love has become an intimacy that provides escape from the real world and community rather than a self denying care for them Finally the authors take a look at some appropriate responses
