How To Win Against Sin:

How to Win Over Depression Tim LaHaye, 2009-08-30 Depression is today's leading emotional problem with a skyrocketing number of reported cases. But there's much hope for those who suffer. If you or a loved one struggle with depression, whether mild or severe, Dr. Tim LaHaye assures you that there is a way to overcome those dark, hopeless feelings, even if previous counseling hasn't helped. With over one million copies sold since its first printing in 1974, *How to Win Over Depression* has made a life-changing difference for countless people worldwide. Now completely revised to incorporate the latest research, this book outlines principles from the Bible that can help you put depression behind you and keep it there, regardless of your circumstances. Dr. LaHaye examines the causes and treatments of depression, including physical imbalances and the therapeutic use of antidepressants. Then, in simple language, he describes his own approach, one that's proved successful time and again for over twenty years. Digging beyond the physical and emotional components of depression, Dr. LaHaye takes you to its spiritual root and provides a means for eradicating it from your life. So whether it's just a case of the blues or a serious, overwhelming sense of despair, depression doesn't have to master you. Learn how you can master it with *How to Win Over Depression*.

Winning at Spiritual Warfare Marcus Craig, 2022-05-09 Everyone of us goes through struggles every day of our lives, but some of us have someone to help guide us in the right direction. Unfortunately, many of us refuse to turn to anyone for help because of how bad we have made things for ourselves. This book has been written to help those of us who have a hard time discussing our personal business with others but find comfort in reading the experiences of others. GOD did not create us to lose to our enemy Satan, nor does He intend for us to bow down to hurtful men and women. This book teaches you to expect to win daily.

How to Win at The Challenge and Life Sydney Bucksbaum, 2024-09-03 You've seen the rivalries. You've witnessed the blood, sweat, and tears. You've celebrated the champions. But what does it really take to win MTV's *The Challenge*? And what happens after the cameras stop rolling? Since 1998, MTV's *The Challenge* has tested competitors' physical, mental, and emotional endurance. Some go on to become Challenge legends, going down in history as players who changed the game forever. But for each champion, there are dozens more who try and fail over and over again to earn the title. In her time covering the show, pop culture journalist and Challenge superfan Sydney Bucksbaum has gotten to know many of the champs, gaining an insider's knowledge of what goes into making a winning strategy and how difficult it is to actually pull it off. Here, she profiles twenty-one of the most popular, successful, and infamous champions and reveals not only how they won *The Challenge* but also how they applied the skills they learned from the experience to their personal lives and careers. From seven-time winner Johnny Bananas to *Deve Nanzio Challenge Godfather* Mark Long OG champ Veronica Portillo, elimination beast Emily Schromm, to most improved competitors Cara Maria Sorbello and Chris C.T. Tamburello, the best in the game look back at their decades of hard work, including the euphoric highs, devastating lows, and everything in between.
