

## **Sample Essay on A World View of Cultural Diversity**

Cultural diversity is also called multiculturalism. It is having a heart and mind that acknowledges, accepts, values and celebrates different ways via which people live and interact all over the world (AHRC, 2012). Everybody is embraced by cultural diversity regardless of their cultural differences. People are united by cultural diversity through common aspects that include acceptance, well-being, security, esteem and physical, emotional and spiritual equity. The basis of multiculturalism is the ideologies that people should value and maintain cultural practices instead of ignoring them. The basis of this belief is the foundation that there is a significant contribution made by each culture and race in the American history. As Sowell (2010) says, there were cultural features that were not just different from the others but also better. As such, the better and good part of the culture has facilitated history evolution. The cultural diversity concept is explained in this paper from the viewpoint of Sowell (Sowell, 2010).

Religious beliefs, ethnicity, economic background, sexual orientation, physical appearance, education, geographic background, cognitive style, age, culture and race are characteristics of cultural diversity. Sowell (2010) notes that, people have retained culture to serve the practical human race's requirements of passing generational experience as well as the earned knowledge throughout the years down to the inexperienced current generation and to spare the next generation from trying and failing and the costly process of learning from scratch. Sowell (2010) agrees that, culture is practically the determinant factor which differentiates the lifestyles of people while providing several examples in regards to the evolution and technology. For instance, Sowell talks about paper as well as printing that the Chinese practiced originally and this was a custom's aspect but this has

**Diversity and Multiculturalism** Shirley R. Steinberg, 2009 This reader demands that we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught and by redefining the field with an equitable lens freeing it from the dominant cultural curriculum The book problematizes the issue of whiteness for instance as not being the opposite of blackness or person of color but rather a meta description for our dominant culture Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism this reader includes essays on physical diversity geographic diversity and difference in sexualities This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity

**Teaching About Diversity** Melissa J. Marks, Scott DeWitt, 2020-05-01 This book offers easily implemented strategies for use with secondary and undergraduate students to promote greater engagement with the realities of diversity and commitment to social justice within their classrooms Defining diversity broadly the book provides effective pedagogical techniques to help students question their own assumptions think critically and discuss issues within race religion ethnicity gender sexual orientation socioeconomic status and ability The K 12 student population is increasingly diverse in terms of race ethnicity language religion socio economic status and family structure However the overwhelming majority of teachers continues to come from White non urban middle class backgrounds Fletcher 2014 Hughes et al 2011 These differences can have serious repercussions for student learning Non majority students who feel that their culture or background is not acknowledged or accepted at school are likely to disengage from expected academic and social activities Hughes et al 2011 Concurrently the majority students remain

unaware of privilege and ignorant of societal systemic discrimination In order to teach for social justice ideas regarding power structure privilege and oppression need to be discussed openly Fear of upsetting students or not knowing how to handle the issue of social justice are commonly heard reasons for not discussing difficult subjects Marks Binkley Daly 2014 However when teachers choose not to discuss topics within diversity students assume that the topics are taboo dangerous or unimportant These assumptions impede students abilities to ask important questions learn how to speak about issues effectively and comprehend the complex challenges woven into current national conversations
