SAFETY MESSAGES

Your safety and the safety of others are very important. We have provided important safety messages in this manual and on the mower. This information alerts you to potential hazards that could hurt you or others. Please read these messages carefully.

Of course, it is not practical or possible to warn you about all the hazards associated with operating or maintaining a lawn mower. You must use your own good judgment.

You will find important safety information in a variety of forms:

- **Safety Labels** – on the lawn mower.
- **Instructions** – how to use this mower correctly and safely.
- **Safety Messages** – preceded by a safety alert (F, symbol and one of three signal words: DANGER, WARNING, or CAUTION). These signal words mean:

DANGER You **WILL** be **KILLED** or **SERIOUSLY HURT** if you don't follow instructions.

WARNING You **CAN** be **KILLED** or **SERIOUSLY HURT** if you don't follow instructions.

CAUTION You **CAN** be **HURT** if you don't follow instructions.

Each message tells you what the hazard is, what can happen, and what you can do to avoid or reduce injury.

- **Damage Prevention Messages** – You will also see other important messages that are preceded by the word **NOTICE**. This word means:

NOTICE Your lawn mower or other property can be damaged if you don't follow instructions.
