**John Laird**

## **Hume The Routledge Philosophers:**

**Hume** Don Garrett, 2014-11-13 Beginning with an overview of Hume's life and work Don Garrett introduces in clear and accessible style the central aspects of Hume's thought These include Hume's lifelong exploration of the human mind his theories of inductive inference and causation skepticism and personal identity moral and political philosophy aesthetics and philosophy of religion The final chapter considers the influence and legacy of Hume's thought today Throughout Garrett draws on and explains many of Hume's central works including his *Treatise of Human Nature* *Enquiries Concerning Human Understanding* and *Dialogues Concerning Natural Religion* Hume is essential reading not only for students of philosophy but anyone in the humanities and social sciences and beyond seeking an introduction to Hume's thought *Routledge Philosophy GuideBook to Hume on Knowledge* Harold Noonan, 2002-09-11 David Hume was one of the most important British philosophers of the eighteenth century The first part of his *Treatise on Human Nature* is a seminal work in philosophy Hume on *Knowledge* introduces and assesses Hume's life and the background of the *Treatise* The ideas and text in the *Treatise* Hume's continuing importance to philosophy *Routledge Philosophy GuideBook to Hume on Morality* James Baillie, 2006-04-19 David Hume is widely recognised as the greatest philosopher to have written in the English language His *Treatise on Human Nature* is one of the most important works of moral philosophy ever written Hume on *Morality* introduces and assesses Hume's life and the background of the *Treatise* The ideas and text in the *Treatise* Hume's continuing importance to philosophy *Routledge Philosophy Guidebook to Hume on Religion* George Pattison, 2000 David Hume was the most important British philosopher of the eighteenth century Hume on *Religion* introduces students to his major work on the subject *Dialogues Concerning Natural Religion* **Routledge Philosophy Guidebook to Hume on Knowledge** Harold W. Noonan, 1999 *Hume's Philosophy of Belief (Routledge Revivals)* Antony Flew, 2013-11-05 First published in 1961 this book considers Hume's request to be judged solely by the acknowledged works of his maturity It focuses on Hume's first *Inquiry* in its own right as a separate book to the likes of his other works such as the *Treatise* and the *Dialogues* which are here only used as supplementary evidence when necessary This approach brings out as Hume himself quite explicitly wished to do the important bearing of his more technical philosophy on matters of religion and of world outlook generally Be a philosopher but amidst all your philosophy be still a man *Hume's Philosophy of Human Nature (Routledge Revivals)* John Laird, 2014-01-02 The essence of Hume's eighteenth century philosophy was that all the sciences were dependent on the science of man and that the foundations of any such science need to rest on experience and observation This title first published in 1932 examines in detail how Hume interpreted the science of man and how he applied his experimental methodology to humankind's understanding passions social duties economic activities religious beliefs and secular history throughout his career Particular attention is paid to the English French and Latin sources that shaped Hume's theories This is a full and fascinating title of particular relevance to students with an interest in the philosophy of Hume specifically as well

as the philosophy of human nature and the methodologies applied to its study more generally     David Hume's Theory of Mind Daniel E. Flage, 2019-04-24 This book first published in 1990 is a detailed examination of David Hume's Treatise of Human Nature. It shows that the theory of mind developed in the Treatise is a thread which ties together many of the seemingly unrelated philosophical issues discussed in the work. Hume's primary objective was to defend a bundle theory of mind and through a close examination of the texts this book provides a thorough account of how Hume understood this theory and the problems he discovered with it     Hume-Arg Philosophers Barry Stroud, 2003-05-20 The purpose of this series is to provide a contemporary assessment and history of the entire course of philosophical thought. Each book constitutes a detailed critical introduction to the work of a philosopher of major influence and significance. This volume seeks to provide a comprehensive interpretation of Hume's philosophy and to expound and discuss his central problems against the background of that general interpretation     Routledge Philosophy Guidebook to Hume on Religion David O'Connor, 2001 David Hume was the most important British philosopher of the eighteenth century. Hume on Religion introduces students to his major work on the subject, *Dialogues Concerning Natural Religion*     Hume's Philosophy Of The Self Tony Pitson, 2005-06-29 First Published in 2002 Personal identity lies at the very heart of Hume's philosophy but has received surprisingly limited attention. Hume's *Philosophy of the Self* is the first book to go beyond the famous section of the *Treatise Of Personal Identity* and explore the fundamental concern with the Self that pervades all of Hume's work. A. E. Pitson argues innovatively that this concern rests on a crucial distinction between two aspects of personal identity: our thought and our passions. Hume's *Philosophy of the Self* addresses issues fundamental to the study of eighteenth-century thought, the Scottish Enlightenment, and naturalism, and offers an essential new perspective on Hume's moral philosophy, epistemology, and philosophy of mind     **Routledge Philosophy GuideBook to Hume on Religion** David O'Connor, 2013-03-07 David Hume was the most important British philosopher of the eighteenth century. His *Dialogues Concerning Natural Religion* is a classic text in the philosophy of religion. Hume on Religion introduces and assesses Hume's life and the background to the *Dialogues*, the ideas and text of *Dialogues*, Hume's continuing importance to philosophy     **The Humean Mind** Angela Michelle Coventry, Alex Sager, 2019 David Hume 1711-1776 is widely acknowledged as one of the most important philosophers in the English language, with his work continuing to exert major influence on philosophy today. His empiricism, naturalism, and psychology of the mind, and the passions, shape many positions and approaches in the sciences and social sciences. *The Humean Mind* seeks to provide a comprehensive survey of his work, not only placing it in its historical context but also exploring its contemporary significance. Comprising thirty-eight chapters by a team of international contributors, the Handbook is divided into four sections: Intellectual context; Hume's thought; Hume's reception; Hume's legacy. This handbook includes coverage of all major aspects of Hume's thought, with essays spanning the full scope of Hume's philosophy. Topics explored include Hume's reception in the eighteenth and nineteenth centuries; Hume's legacy in the twentieth and twenty

first centuries Hume's history including an essay on Hume as historian as well as essays on the relevance of history to Hume's philosophy and his politics and an updated treatment of Hume's Legal Philosophy Also included are essays on race gender and animal ethics Essential reading for students and researchers in philosophy Hume's work is central to epistemology metaphysics philosophy of mind philosophy of science ethics legal philosophy and philosophy of religion *David Hume* Stanley Tweyman, 1995

**Hume's Theory of the Understanding** Ralph W. Church, 2019-04-25 This book first published in 1935 is an examination of Hume's theories of causal inference and belief in substance and his analysis of the understanding

**Hume** Harold W. Noonan, 2014-10-01 The father of modern scepticism and perhaps the most important English philosopher Hume was lauded within his own lifetime as a pivotal figure of the Enlightenment with his highly original theories of perception personal identity causation politics morality and religion Hume's voice lucid and witty is still an acute critic of human nature and Western thought *The Routledge Guidebook to Hume's A Treatise of Human Nature* P. J. E. Kail, 2025 David Hume is widely acknowledged as the greatest philosopher to have written in the English language His 1739 40 *A Treatise of Human Nature* is commonly regarded as his masterpiece It is a profound work of great ambition seeking to reorient philosophy by establishing a science of human nature Following the structure of the original work closely The Routledge Guidebook to Hume's *A Treatise of Human Nature* provides a clear and accessible introduction to its key themes and explores the lasting philosophical significance of the work the context of Hume's philosophy the character of Hume's theory of human nature the two central themes of scepticism and naturalism the unity of the three original volumes Written for readers approaching Hume's seminal work for the first time this guidebook includes a helpful overview of the text chapter summaries and further reading throughout It is an essential introduction for undergraduate students studying the history of modern philosophy and all those who wish to engage more deeply with this classic work *Hume's Moral Theory* J.L. Mackie, 2003-09-02 First Published in 1980 Routledge is an imprint of Taylor Francis an informa company

[A Companion to Hume](#) Elizabeth S. Radcliffe, 2011-05-31 Comprised of twenty nine specially commissioned essays *A Companion to Hume* examines the depth of the philosophies and influence of one of history's most remarkable thinkers Demonstrates the range of Hume's work and illuminates the ongoing debates that it has generated Organized by subject with introductions to each section to orient the reader Explores topics such as knowledge passion morality religion economics and politics Examines the paradoxes of Hume's thought and his legacy covering the methods themes and consequences of his contributions to philosophy *Philosophic Classics, Volume III* Forrest Baird, 2023-05-31 Esteemed for providing the best available translations *Philosophic Classics Modern Philosophy* features complete works or complete sections of the most important works by the major thinkers as well as shorter samples from transitional thinkers First published in 1961 Forrest E Baird's revision of *Philosophic Classics* continues the tradition of providing generations of students with high quality course material Using the complete works or where appropriate complete sections of works this anthology allows philosophers to speak

directly to students
