and exercising routines to specific times of the day will lose twice as much weight as those who don't follow a weight loss timing plan. The Women's Health Body Clock Diet offers you a 3 step plan to reprogram your metabolism for fast initial weight loss and the tools to improve blood sugar stability for long term body shape maintenance. The Women's Health Body Clock Diet also provides an hour by hour analysis of hormone driven fluctuations in hunger and lays out a step by step food based solution, an innovative mindful eating plan that helps you overcome the cravings that lead to high calorie overeating. The 30 day meal plan offers recipes, shopping lists and a daily exercise to do list virtually guaranteeing compliance and 10 or more pounds of weight loss mostly from the tummy and thighs.

**Mindful Eating** Jan Chozen Bays, 2009-02-03. The art of mindfulness can transform our struggles with food and renew our sense of pleasure, appreciation and satisfaction with eating. Drawing on recent research and integrating her experiences as a physician and meditation teacher, Dr. Jan Bays offers a wonderfully clear presentation of what mindfulness is and how it can help with food issues. Mindful eating is an approach that involves bringing one's full attention to the process of eating to all the tastes, smells, thoughts and feelings that arise during a meal. Whether you are overweight, suffer from an eating disorder or just want to get more out of life, this book offers a simple tool that can make a remarkable difference. In this book you'll learn how to Tune in to your body's own wisdom about what, when and how much to eat. Eat less while feeling fully satisfied. Identify your habits and patterns with food. Develop a more compassionate attitude toward your struggles with eating. Discover what you're really hungry for. *Mindful Eating* also includes a 75 minute audio program containing guided exercises led by the author.

**Mind Your Diet** Melinda Blackman, 2008-02-14. So many diet plans give tremendous details about the physiological processes that make their particular diet successful but fail to include the psychological elements that are also necessary for adherence to the diet plan. Hence the goal of this book is to

provide you with the life long mental tool to adhere to your diet plan During the course of this book I will point out several marketing techniques that thwart our efforts toward having a balanced daily diet Then I will show you how to apply psychological techniques the right way to help you stick to your diet plans and live a healthy lifestyle This book will help you learn to control the many situations and thoughts related to eating that our parents helped to control when we were children Long after you have read this book your self created wristband with the acronym DIET Do I Eat This will help remind you of the psychological eating strategies presented in this book Wristbands with the acronym D I E T Do I Eat This inscribed on them can be purchased for 6 00 each All proceeds will go to the AMERICAN HEART ASSOCIATION Please send cash or a check payable to Dr Melinda Blackman Department of Psychology California State University Fullerton CA 92834 Please include the number of wristbands that you would like to purchase and a shipping address
