

Storm panel hurricane shutters

PROS

- Most inexpensive of the permanent shutter systems.
- Removable, so they don't change the look of the house when not in use.
- Strong, and can provide excellent protection for both doors and windows.

CONS

- Require storage, but usually stack together tightly and take up little space.
- Can be difficult to handle; hanging can require more than one person.
- Sometimes don't line up properly.
- Have sharp edges.

Average cost: \$7-\$8 per square foot;

Average storm preparation time: 15 minutes per window depending on the style.

Observations, Recommendations, and Technical Guidance , **The Condominium Concept** Peter M Dunbar, 2024-06-03

The purpose of The Condominium Concept is to provide a practical guide for officers and board members of residential condominiums. It is not designed as a legal treatise for lawyers. The manual will however refer frequently to provisions of the law helping its user understand the requirements that the law imposes on the operation of condominiums in Florida. Those familiar with prior editions of The Condominium Concept will find new references to the law presented in the footnotes of this edition and the references include key decisions from Florida courts. Condominiums are creatures of statute. The Florida Condominium Act governs their creation and their ongoing activities. The Act also addresses the rights of unit owners and the responsibilities of those who govern the condominium on their behalf. This edition of the Concept includes the changes to the Florida Statutes through the 2023 legislative session. There are forms and sample documents to help association officials comply with the procedural requirements regulating their duties. There is a shorthand guide to the rules of parliamentary procedure and forms to assist in conducting association meetings. Finally there are frequent references to sections and paragraphs of the Florida Statutes F S and the Florida Administrative Code F A C to give foundation to the commentary and to direct the reader to other source material if there is need for more information.
