 However as both the 250cc and 400cc models remained in production through 1975 as the MH 1970 MI 1971 MJ 1972 and

 been expanded to include the 1972 and later 125cc and 450cc MJ and MK series Models covered by engine size year of

 you to exercise caution when purchasing technical publications for your classic motorcycle or automobile as many of the
 reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea
 what they are selling Many are nothing more than poor quality digital or comb bound photocopies that are scanned or
 printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even
 refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com has
 been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent
 reviews worldwide so you can be assured you are purchasing a quality product
