Southerton,2012-06-20 Hyundai and Kia Motors The Early Years and Product Development by Donald G Southerton provides deep insights into the rise of the Korean car industry From the 1960s to early 2000s political and economic forces impacted the growth and development of the South Korean carmakers including Hyundai and Kia Motors In addition the brands at times partnered for technology with Ford Mazda and Mitsubishi along with world class designers like Giorgetto Giugiaro Expanding rapidly the Korean brands soon looked to new international markets including the U S Despite the failure of Kia Motors to survive the IMF Crisis the merger with Hyundai led to integrated technology research development and manufacturing not to mention the economies of scale needed for the Korean automaker to compete globally with industry heavyweights such as Toyota Ford GM and VW Car models discussed including the Kia s Brisa Pride Sephia Sportage and Rio along with Hyundai s Pony Excel and Santa Fe      *Energizing Our Future* John Wilson,Griffin Burgh,2008-02-13 This important new book presents a comprehensive review of practical alternative energy choices for the twenty first century It addresses three critical energy related topics that are causing great confusion in public debate global warming the hydrogen economy and nuclear power and gives readers an opportunity to form a grounded factually correct foundation for understanding the energy challenge and develop their own informed and actionable opinion      **Fuel Cell Technology Handbook** Gregor Hoogers,2002-09-27 Fuel cell systems have now reached a degree of technological maturity and appear destined to form the cornerstone of future energy technologies But the rapid advances in fuel cell system development have left current information available only in scattered journals and Internet sites The even faster race toward fuel cell commercialization further      **What Is a Western?** Josh Garrett-Davis,2019-09-26 There s western and then there s Western and where history becomes myth is an evocative question one of several questions posed by Josh Garrett Davis in *What Is a Western* Region Genre Imagination Part cultural criticism part history and wholly entertaining this series of essays on specific films books music and other cultural texts brings a fresh perspective to long studied topics Under Garrett Davis s careful observation cultural objects such as films and literature art and artifacts and icons and oddities occupy the terrain of where the West as region meets the Western genre One crucial through line in the collection is the relationship of regional western works to genre Western works and the ways those two categories cannot be cleanly distinguished most work about the West is tinted by the Western genre and Westerns depend on the region for their status and power Garrett Davis also seeks to answer the question What is a Western now To do so he brings the Western into dialogue with other frameworks of the imagined West such as Indigenous perspectives the borderlands and environmental thinking The book s mosaic of subject matter includes new perspectives on the classic musical film *Oklahoma* a consideration

of Native activism at Standing Rock and surprises like Pee wee s Big Adventure and Dr Seuss s The Lorax The book is influenced by the borderlands theory of Gloria Anzald a and the work of the indie rock band Calexico as well as the author s own discipline of western cultural history Richly illustrated primarily from the collection of the Autry Museum of the American West Josh Garrett Davis s work is as visually interesting as it is enlightening asking readers to consider the American West in new ways
