Murder Orthodoxies: A Non-Conspiracist's View of Marilyn

Monroe's Death Donald R. McGovern, 2018-05-04 Perhaps no one's death has stirred more interest, controversy, and theories than Marilyn Monroe's August 4 of 1962. In *Murder Orthodoxies*, author Donald R. McGovern analyzes and examines the many theories that Monroe was murdered by a host of curious characters: from the middle Kennedy brothers to brutal gangsters to aliens. McGovern separates fact from fiction and theory from outlandish rumor. He addresses and debunks the usual allegations related to Monroe's death: the secrets recorded in her little red diary, her scheduled whistle-blowing press conference, the murder plots by organized crime and the brothers Kennedy, and the fatal injection of drugs along with many others. In *Murder Orthodoxies*, McGovern restores logic and sanity to the investigation of Monroe's death. His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion, not by facts. His credible conclusions are based on logic, science, toxicology, and forensic evidence.

The Murder of Marilyn Monroe Jay Margolis, Richard Buskin, 2016-09-20 A New York Times Best Seller. Since Marilyn Monroe died under suspicious circumstances on the night of August 4, 1962, there have been queries, theories, allegations, and investigations, but no definitive evidence about precisely what happened and who was involved until now. In *The Murder of Marilyn Monroe: Case Closed*, renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming for the first time the screen goddess's killer while utilizing the testimony of eye witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles' Brentwood neighborhood. Implicating Bobby Kennedy in the commission of Marilyn's murder, this is the first book to name the LAPD officers who accompanied the US Attorney General to her home, provide details about how the Kennedys used bribes to silence one of the ambulance drivers, and specify how the subsequent cover-up was aided by a noted pathologist's outrageous lies. This blockbuster volume blows the lid off the world's most notorious and talked-about celebrity death and, in the process, exposes not only the truth about an iconic star's tragic final hours but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history, books about World War II, the Third Reich, Hitler, and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Hollywood Legends Tichi Wilkerson, Marcia Borie, 1988. *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23. This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc., as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection. *A SILENT JOURNEY THROUGH THE SANDS OF TIME* D. H. REID, 2009-08-30. Originating in Europe, they travel to the new world in search of a new beginning. An unusual surprise awaits the teacher as the students play matchmaker and fill his life with a joy he has never experienced in a long time. **Their Last Suppers** Caldwell Andrew, 2010-09-14. lore Each historical figure's profile includes a brief description of pursuits and accomplishments as well as little known anecdotes popular foods of his or her time period recipes for the figure's actual last meal and cooking tips Because the kitchens of Montezuma Caesar and other notables profiled within the book were often very basic Caldwell brings their fare into modern kitchens although he strongly believes that whenever possible grills and open fires should be used for most dishes and therefore provides specific preparation tips throughout From the Titanic's twelve course tasting menu to personal recipes for Princess Diana's Favorite Watercress Soup Elvis Presley's Fried Peanut Butter and Banana Sandwich Julius Caesar's Ambrosia Cleopatra's Hummus and Stone Crab a la Kennedy historians and foodies alike will relish the trivia and tastings paired within this unique and entertaining book
