El-Hi Textbooks & Serials in Print, 2000 ,2000 **Curbing Corruption** Bertram I. Spector, 2021-12-19 Many anti corruption efforts have had only a minimal effect on curbing the problem of corruption This book explains why that is and shows readers what works in the real world in the fight against corruption and why Counter corruption initiatives often focus on the legal institutional and contextual factors that facilitate corrupt behavior but these have had only nominal impacts because most of these reforms can be circumvented by government officials powerful citizens and business people who are relentless in their quest for self interest This book argues that instead we

should target the key individual and group drivers of corrupt behavior and through them promote sustainable behavioral change Drawing on over 25 years of practical experience planning designing and implementing anti corruption programs in over 40 countries as well as a wealth of insights from social psychological ethical and negotiation research this book identifies innovative tools that target these core human motivators of corruption with descriptions of pilot tests that show how they can work in practice Anti corruption is again becoming a priority issue prompted by the emergence of more authoritarian regimes and the public scrutiny of government responses to the COVID 19 pandemic Straddling theory and practice this book is the perfect guide to what works and what doesn t and will be valuable for policymakers NGOs development practitioners and corruption studies students and researchers *Lessons In Leadership Intelligence - 4th Edition* Dr. James Richard Bean, Books in Print ,1994 Public Health Nursing - E-Book Marcia Stanhope,Jeanette Lancaster,2014-07-21 Now in its 8th edition the gold standard in community health nursing provides comprehensive and up to date content to keep you at the forefront of the ever changing community health climate and prepare you for an effective nursing career In addition to a solid foundation in concepts and interventions for individuals families and communities you will find real life applications of the public nurse s role Healthy People 2020 initiatives new chapters on forensics and genomics plus timely coverage of disaster management and important client populations such as pregnant teens the homeless immigrants and more Evidence Based Practice boxes illustrate how the latest research findings apply to public community health nursing Separate chapters on disease outbreak investigation and disaster management describe the nurse s role in surveilling public health and managing these types of threats to public health Separate unit on the public community health nurse s role describes the different roles and functions of the public community health nurse within the community Levels of Prevention boxes show how community public health nurses deliver health care interventions at the primary secondary and tertiary levels of prevention What Do You Think Did You Know and How To boxes use practical examples and critical thinking exercises to illustrate chapter content The Cutting Edge highlights significant issues and new approaches to community oriented nursing practice Practice Application provides case studies with critical thinking questions Separate chapters on community health initiatives thoroughly describe different approaches to promoting health among populations Appendixes offer additional resources and key information such as screening and assessment tools and clinical practice guidelines Linking Content to Practice boxes provide real life applications for chapter content NEW Healthy People 2020 feature boxes highlight the goals and objectives for promoting health and wellness over the next decade NEW The Nurse in Forensics chapter focuses on the unique role of forensic nurses in public health and safety interpersonal violence mass violence and disasters NEW Genomics in Public Health Nursing chapter includes a history of genetics and genomics and their impact on public community health nursing care Mending Education Karen Gross,Edward K.S.
