Millennium Past Bryant Griggs,2015-01-31 In the long awaited millennium reign of Emperor Yahshua Messiah the elect worship the Heavenly Father as Yahweh Elohim the great I Am That I Am Yet sin runs rampant from the words and actions of unbelievers They force the final conflict as prophesized in the Book of Revelation 20 78 and through trials and tribulations joys and prosperity and banishments and executions of one thousand years the Prince of Peace decrees His servants to fight forcing the saints to ask Does Yahshua desire His people to carry out the vengeance believed to be Yahwehs alone And can we fulfill His will *Michael Zévaco's the Pardaillan* Eduardo Berdugo,2012-01-30 Find out the exciting completion and

sometimes nefarious ending of the fourth book of MICHAEL ZVACOS THE PARDAILLAN and what is going to be the impossible to imagine climax of the series in this new edition of Volume IV Quietus Leonor was a typical French provincial woman very beautiful in her early twenties with golden hair ice blue eyes and lovely pale skin as white as snow Her svelte body would soon swing by the neck in the scaffold guaranteed to be a site for the eye of the beholder Her principal crime was being the daughter of a Protestant and having a Catholic lover who left her Aside from her intoxicating physical attributes she loved to travel especially to the big cities and more specifically Paris Where the splendor of spring was fitted for enamors during that time of the year Even so the stench of death and the bloody stains still perfumed the air and permeated the streets by the tens of thousands of cadavers that were further being cleared This massacre of historical proportions had been the product of the great Huguenot slaughter during Saint Bartholomews holidays King Charles IX and his more culpable mother Catherine of Medici had thus cannily planned and conceived it On occasions new butchered Protestant bodies were found strewn on the side streets Like on one morning as she was strolling near Our Lady Cathedral one of the sites of the massacre she spotted a bishop wearing his full official garments going inside the church with the faithful where he was going to officiate mass in Latin it was Sunday mid morning in May He was a tall virile man of handsome features with raven black hair but his peculiar eyes appeared familiar to Leonor and not only the eyes but his masculinity his gait in essence the entire package That something about him woke up her curiosity and even though being a Protestant she had never gone to Our Lady or any church for that matter she chose to follow him inside To her dismay she discovered that the bishop at the altar officiating mass indeed was John the lover who had abandoned her The ringing of the small bells signaling the elevation ritual when John the bishop raised the consecrated elements of bread and wine during the celebration of the Eucharist allowed her to see the features of his full face Immediately she launched in anger toward him without realizing the importance of the sacredness of the moment and went up the steps of the altar to expose the bishops adulterous behavior in front of the community of Catholics The faithful people shocked and angry rushed to seize her and hauled her off to the bottom of a wet and dark jail cell at a nearby prison The tribunal took six months to find her guilt of heresy blasphemy and spreading publicly slanderous calumnies against the reverend bishop and sentenced her to death by hanging In the scaffold the executioner placed the noose around her neck and the trap door opened As she fell to the void of her death she began to spookily shout while swinging in the hangmans rope However those shouts were not of dying but were from labor pains An innocent and scared creature had dropped still connected to the umbilical cord of the mother s placenta fallen on the scaffolds hardwood begun crying and extended the arms as begging for the mercy of innocence while seeking the comfort warmth and love that only a mother could give Edited and Translated by Eduardo Berdugo The Fetishists Ibrahim al-Koni,2019-01-04 The Fetishists originally published in Arabic as Al Majus is considered the masterpiece of Ibrahim al Koni one of the most prolific and important writers in Arabic today In The Fetishists Al Koni explores what happens when a writer

asks the novel to speak of and for the Sahara when rival cultures clash and when communities seek to build a utopia on Earth as individuals struggle between a desire for material well being represented by gold dust and a need for spiritual meaning As the story opens Sultan Oragh of Timbuktu who has already lost most of his power to Fetishist Bambara leaders of the forestlands fears he will lose his only daughter Tenere as a human sacrifice to their god Amnay The sultan sends Tenere to seek refuge with fellow Tuareg nomads in the plain But even in their traditional nomadic community a competition rages between jihadi militant Islam moderate Anhi Islam which is the ancient Tuareg Law and the cults of gold dust and of traditional African folk religions In this epic novel Al Koni blends Tuareg folklore and history with intense fond descriptions of daily life in the desert creating a mirror for life anywhere Through its tragic rendering of a clash between the Tuareg and traditional African civilizations the novel profoundly probes the contradictions of the human soul as it takes the reader on a unique spiritual adventure inside the Tuareg world *The Complete Idiot's Guide to the Last Days* Richard H.

late work on biopolitics and governmentality has established him as the fundamental thinker of contemporary continental political thought and as a privileged source for our current understanding of neoliberalism and its technologies of power In this volume an international and interdisciplinary group of Foucault scholars examines his ideas of biopower and biopolitics and their relation to his project of a history of governmentality and to a theory of the subject found in his last courses at the College de France Many of the chapters engage critically with the Italian theoretical reception of Foucault At the same time the originality of this collection consists in the variety of perspectives and traditions of reception brought to bear upon the problematic connections between biopolitics and governmentality established by Foucault s last works
