Organisational Behaviour S. Fayyaz Ahmad, Nazir Ahmad Gilkar & Javid Ahmad Darzi, 2008. In order to be effective, modern complex organizations require leadership at all levels, which is capable of realising the creative potential of their people towards the attainment of common goals. Divided into 15 sections, it covers all the major concepts and principles of management, organization theory, and organizational behaviour, taking care of both the traditional and transitional viewpoints. It presents cases developed and collected from various sources and follows a student-friendly approach. Various concepts in the book have been explained in a real Indian perspective to help readers get a practical understanding of the conceptual issues.
