Matric Biology Paper 23

London univ, exam. papers

Matric Biology Paper 23:

The Land of My Ancestors' Sepulchers Miranda P. Yeoh, 2022-01-07 What is it like to be born into an extended Peranakan family that has seen better days Besides poverty there s strife when some don t pull together However I had a wise Grandma Dad and Aunt Reading transported me into a world of joy and soon I loved learning for its own sake The Scriptures challenged me to seek the kingdom of heaven when I was at university Why should I teach in Selangor rather than my beloved hometown Penang Could I rely on God On several occasions I realized that God blessed me just on time I tried to influence my students to be intrinsically motivated I tried to nurture a passion for knowledge Besides teaching I researched to facilitate the learning of my students How could I manage caring for an aging aunt but by God s mercy How would I cope with my health issues uncertain if healing would come Would all the events and my responses to them show that I worship an all powerful merciful God in whom I can trust
