

The book cover features a vibrant illustration of a space shuttle launching. The shuttle is white with a yellow-orange boosters section and is angled upwards towards the top left. A large plume of white smoke and fire trails behind it. In the background, a launch pad structure is visible. The sky transitions from a deep blue at the top to a lighter blue and white near the launch. The title 'Applied Circuit Analysis' is written in a large, white, sans-serif font, while 'solution manual' is in a smaller, red, sans-serif font. The authors' names are listed at the bottom in a small white font. The book is shown at a slight angle, revealing the spine on the right side which also features the title and authors' names.
