Mba Capstone Papers:

Designing Effective Assessment Trudy W. Banta, Elizabeth A. Jones, Karen E. Black, 2009-07-14 Fifteen years ago Trudy Banta and her colleagues surveyed the national landscape for the campus examples that were published in the classic work *Assessment in Practice* Since then significant advances have occurred including the use of technology to organize and manage the assessment process and increased reliance on assessment findings to make key decisions aimed at enhancing student learning Trudy Banta Elizabeth Jones and Karen Black offer 49 detailed current examples of good practice in planning implementing and sustaining assessment that are practical and ready to apply in new settings This important resource can help educators put in place an effective process for determining what works and which improvements will have the most impact in improving curriculum methods of instruction and student services on college and university campuses

The Pivotal Role of Academic Librarians in Digital Learning Melissa N. Mallon, 2017-10-27 The budget constrained rapidly evolving climate of higher education and academic libraries makes it a necessity for academic librarians and administrators to communicate the value of their library to the university This book explains how to execute this critical task Authored by a library director and director of library liaison and instructional services who formerly served as a faculty member a librarian and a professional development instructor *The Pivotal Role of Academic Librarians in Digital Learning* establishes the library's role in supporting student learning in an increasingly digital environment by exploring theoretical foundations and sharing concrete examples The chapters focus on strategies and methods for demonstrating the academic library's value through strategic campus partnerships creation of learning objects such as video tutorials research instruction designed to facilitate student collaboration and participation in assessment of learning on campus All of the topics addressed within a broad range of subject matter fall within the scope of learning in the digital age with particular emphasis on utilizing online learning environments including social media to teach students critical thinking and research skills as well as to position the academic library as an integral part of the modern learning environment This book is a must read for academic librarians in instructional roles teaching faculty academic library administrators and managers who need to communicate the value of the library in relation to student learning and academic administrators who are obligated to demonstrate the important role of libraries in academic excellence

Annals of Entrepreneurship Education and Pedagogy – 2018 Charles H. Matthews, Eric W. Liguori, 2018 The third volume of the *Annals of Entrepreneurship Education and Pedagogy* critically examines past practices current thinking and future insights into the ever expanding world of Entrepreneurship education Prepared under the auspices of the United States Association for Small Business and Entrepreneurship USASBE this compendium covers a broad range of scholarly practical and thoughtful perspectives on a compelling range of entrepreneurship education issues

Practical Applications of Experiential and Community-Engaged Learning Methods in Business Mehtap Aldogan Eklund, Kenneth W. Graham, 2025-04-09 This enlightening book explores the links

between high impact educational practices HIPs and experiential learning EL pedagogy detailing how educators have adopted these practices to create a more experiential participatory and active learning environment *Pandemic Diaries* Soumik Gangopadhyay, **AACSB Bulletin**, 1976 **CompetitiveEdge: A Guide to Business Programs 2013** Peterson's, 2013-04-15 Peterson's CompetitiveEdge A Guide to Graduate Business Programs 2013 is a user friendly guide to hundreds of graduate business programs in the United States Canada and abroad Readers will find easy to read narrative descriptions that focus on the essential information that defines each business school or program with photos offering a look at the faces of students faculty and important campus locales Quick Facts offer indispensable data on costs and financial aid information application deadlines valuable contact information and more Also includes enlightening articles on today's MBA degree admissions and application advice new business programs and more Managing for Social Justice Latha Poonamallee, Anita D. Howard, Simy Joy, 2023-01-30 The book introduces a preliminary integrative conceptual framework on the intersections between management and social justice with a view that the quest for social justice is not an endpoint rather an ongoing journey With contributions from management scholars and practitioners it highlights examines and explores the continuities and discontinuities gains and losses and struggles and successes in this quest for reimagining organizations as sites and vehicles for advancing social justice in the world To nurture and facilitate flourishing individuals and collectives we need bolder more innovative and more creative models of engagement Further we need models for speaking and learning from different perspectives and building common ground through shared values of equity connectivity and compassion and moral expansiveness while recognizing the complexities of the world we inhabit via our organizations and the need to develop nuanced understandings of the same Contributing authors address questions such as Are social justice and management mutually exclusive concepts How can we draw on effective management for advancing social justice aims How do we bend the arc of organizational life towards more justice What are the rights and obligations of organizations and their members to the world at large and to their local communities and societies Through its reimagining of organizations and management as vehicles for social justice instead of just as tools of oppression injustice or regressive organizing in an extractive economy this book brings together critical and positive organizational approaches challenging fundamental assumptions about how our society people's collectives and workplaces are organized with capacity building incremental change sustained change institutionalized change dynamic ongoing problem solving assessment redesign and more Management scholars will learn the nuanced and complex intersections between management theories and practice and different types of justice injustice in a global context both as antecedents to modern organizations and workplaces and the ways in which these intersectional actors advance and change the organizations and workplaces of the future From Purpose to Impact Nicholas O'Regan, 2024-07-24 To meet the challenge of closing the gap between academic research and industry practice we need a step change in how the business school and the business scholar engages with business This

book presents best practice in the methods of broadening successful academic business engagement on a major scale It presents concrete recommendations for setting programmes creating incentives and structuring recruitment that will transform effective academic business engagement Most universities claim to have significant links with industry and the professions but in reality only a limited number of business scholars are engaged with industry A focus on impact presents an additional potential trap confusing promotion of research and tactical tips and tricks with genuine engagement This book explores the increasing number of new and innovative partnerships and collaborative activities and looks at how academics can adapt to and leverage these new opportunities It focuses on the academic as the primary driver of the external relationship and outlines the skills and capabilities needed to proactively develop engagement Finally the book provides a number of examples of best practice from a range of countries Written by senior business scholars and leaders from around the world and with examples of best practice included from leading universities this book gives universities the insight needed to develop a broader range of relationships with businesses and to have genuine engagement and impact in practice
