Colonial Government Document Based Question

This question is based on the accompanying documents. It is designed to test your ability to work with historical documents. Some of the documents have been edited for the purposes of the question. As you analyze the documents, take into account the source of each document and any point of view that may be presented in the document.

Historical Context:

Due to British political traditions, distance from the mother country (England), and other factors, the thirteen colonies in America began early on to develop democratic features. Despite this, many aspects of colonial life were strikingly undemocratic. A close look at that time period suggests that colonial democracy was a work in progress (slowly developing).

Task:

Using the information from the documents and your knowledge of social studies, write an essay addressing the following:

- * Discuss the influences of colonial governments on the development of representative government (Democracy) in America.
- * Identify and discuss at least two democratic features of colonial America.
- * Identify and discuss at least two undemocratic features of colonial America.

Resnick,2018-08-01 This content is the basis for the Kaplan AP Live courses starting January 2021 kaptest com ap Barron s AP United States History with Online Tests is aligned with the current exam and includes comprehensive subject review plus five realistic practice tests The College Board has announced that there are May 2021 test dates available are May 3 7 and May 10 14 2021 This edition includes Two full length practice tests in the book with all questions answered and explained Three full length online practice tests with all questions answers and explained Test taking strategies for answering multiple choice short answer long essay and document based questions Comprehensive review of all topics on the AP U S History curriculum including pre contact American Indian societies and the evolution of Colonial society the American Revolution the Civil War and Reconstruction the growth of industrial America World War I the Great Depression World War II the Cold War America in the age of Clinton Bush and Obama and much more *House of Commons - European Scrutiny Committee: Reforming the European Scrutiny Process in the House of Commons: Volume II - HC 109-II* Great Britain: Parliament: House of Commons: European Scrutiny Committee,2013-11-28 The depth and pace of EU integration has demonstrated the need for effective democratic parliamentary scrutiny and accountability of Government at Westminster This is the first major inquiry into the European scrutiny system in the House of Commons for eight years There is more that the Committee could do to look at the impact of new proposals There should be a new requirement to appoint Reporters to take the lead within Committees on EU issues as well as a more coordinated approach to the Commission Work Programme Whilst the system need not be scrapped

as some have said it must be enhanced Many problems arise from the fact that new Members are appointed for each document The Committee argues forcefully for a return to the permanent membership system new powers and a change of name to reflect the Committee's core purpose EU Document Debate Committees The Committee also examined how EU business is taken on the floor of the House and the procedures which apply to it They set out a series of recommendations about the way debates are scheduled and conducted and put the case for a new session of EU Questions They also review working practices and the visibility of the House's scrutiny of the EU in the media It concluded that now is the time to propose the introduction of a form of national veto over EU legislative proposals and then to explore the mechanics of disapplication of parts of existing EU obligations notwithstanding the European Communities Act 1972
