HONOR W E B Griffin reveals the explosive world of law enforcement with the same power and authenticity that made his BROTHERHOOD OF WAR and THE CORPS series nationwide bestsellers **Flight of the Old Dog** Dale Brown, 2024-07-16

Flight of the Old Dog is one of the original and classic military techno thrillers in the entire world. It is the basis of the PC flight simulator Megafortress published by Three Sixty Pacific. It has been translated into twelve languages and sales have exceeded a million copies. The United States and the Soviet Union are on the brink of nuclear war. At a top secret research facility at Kavaznya, Siberia, the Soviets have developed a ground-based laser weapon capable of shooting down American satellites, and they are betting that the American president doesn't have the guts to risk starting a nuclear exchange. But at a top secret flight test site in the Nevada desert called Dreamland, a team of test pilots and engineers have created the Megafortress, a venerable B-52 Stratofortress strategic bomber modified with stealth technology, computers, digital avionics, state-of-the-art weaponry, and performance enhancing features that makes it unlike any B-52 bomber or any other warplane ever flown. Now it's time to flight test the Megafortress, and the Air Force assembles the best pilots, bombardiers, and navigators to see what this creation can do. One of them is Captain Patrick McLanahan, considered the best B-52 bombardier in the Air Force. The others on the crew are hard-charging pilots and world-class engineers, and McLanahan is nothing like them. But the team leader and aircraft commander, Lt General Brad Elliott, can see that McLanahan is a quiet professional and a natural born leader. Soviet spies soon discover the Megafortress, and they recognize that a fleet of these advanced planes can practically neutralize all of the Soviet Union's air defenses. Back-channel negotiations begin, and the U.S. is willing to mothball the Megafortress if the Soviets mothball the Kavaznya laser. That is completely unacceptable to the Soviet leader, and he hatches a daring plan to deal with the Megafortress while keeping his devastating laser weapon. Just prior to a live fire flight test, a team of Russian commandos invade Dreamland with the goal of stealing the Megafortress or destroying it. The crew just barely manages to escape. The American president orders the top secret aircraft back to Dreamland, but Brad Elliott and the vice president hatch a daring plan of their own: use the Megafortress to penetrate the Soviet Union's stiff air defenses and destroy the Kavaznya laser. Thus begins the aerial cat and mouse game across ten thousand miles and wave after wave of the Soviet Union's most advanced air defenses and fighter interceptors, which are all on full alert. Most of the Megafortress's crew have no military training. They have supplies for only a few hours and are outfitted for the deserts of southern Nevada, not the frigid steppes of Siberia. They have flown the Megafortress only a few times and only in carefully scripted test flights. With Brad Elliott at the controls, Patrick McLanahan realizes that it's up to him to organize and get the rest of the crew ready for the fight of their lives. Special Operations W.E.B. Griffin, 1989-10-01

In this exciting new series, W E B Griffin reveals a city police force with all the authentic detail and drama that made THE CORPS and BROTHERHOOD OF WAR phenomenal bestsellers. Here is an explosive novel of the men and women behind the badge, a unique brotherhood of courage, loyalty, and trust. Facing a desperate public, a hostile press, and reluctant witnesses, they must stop a new reign of

violence a terrifying spree of kidnapping and rape that has plunged the entire city in fear **Line of Fire** W.E.B. Griffin,1993-08-01 Line of Fire brings to life a desperate mission of World War 2 that captures the drama and courage of the men who fought it Two Marines reporting on Japanese air activity are trapped on a small Coastwatcher island A special rescue team is assembled to save them under enemy gunsight It is an exciting and powerful story of real heroism that only W E B Griffin could tell **The Publishers Weekly** ,1994
