of the late seventies and early eighties I returned to England in 1982 and after living a play boy type of life for a few years I decided to seek out my mother and find out what went wrong The years which followed took me on a path towards self destruction trying to hang on to someone I knew I could be but just did not know how Alcohol and drugs had created a different person within me and we would have continuous fights for the right to be me It ended up in February 2006 with us both in prison on the island of St Lucia a hard core prison I won I started to write out of sheer boredom what followed was a self therapeutic journey to the land of a reality which I had left behind a long time ago Capturing Karma K.
