Di Leo, 2021-11-29 This book introduces the reader to the ways in which happiness has been explored in philosophy and literature for thousands of years in order to understand the newest theoretical approaches to happiness Jeffrey R Di Leo draws on its long and rich history as a window into our present obsession with happiness Each of the four chapters of this book provides a substantially different literary theoretical account of how and why literature matters with respect to considerations of happiness From the neoliberal happiness industry and the psychoanalytic rejection of happiness to aesthetic hedonism and revolutionary happiness literature viewed from the perspective of happiness becomes a story about what is and is not the goal of life The multidisciplinary approach of this book will appeal to a variety of readers from literary studies critical theory philosophy and psychology and anyone with an interest in happiness and theories of emotion From Cradle to Stage Virginia Hanlon Grohl, 2017-04-18 Written by Virginia Grohl the mother of Dave Grohl former Nirvana drummer and current frontman for the Foo Fighters *From Cradle to Stage* shares stories and exclusive photos featuring mothers of rock icons the icons themselves and their Behind the Music style relationships While the Grohl family had always been musical the family sang together on long car trips harmonizing to Motown and David Bowie Virginia never expected her son to become a musician let alone a rock star But when she saw him perform in front of thousands of screaming fans for the first time she knew that rock stardom was meant to be for her son And as Virginia watched her son's star rise she often wondered about the other mothers who raised sons and daughters who became rock stars Were they as surprised as she was about their children's fame Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers Did they encourage their children's passions despite the odds against success or attempt to dissuade them from their grandiose dreams Do they remind their kids to pack a warm coat when they go on tour Virginia decided to seek out other rock star mothers to ask these questions and so began a two year odyssey in which she interviewed such women as

Verna Griffin Dr Dre s mother Marianne Stipe Michael Stipe of REM s mother Janis Winehouse Amy Winehouse s mother Patsy Noah Adam Levine s mother Donna Haim mother of the Haim sisters Hester Diamond Mike D of The Beastie Boys mother With exclusive family photographs and a foreword by Dave Grohl From Cradle to Stage will appeal to mothers and rock fans everywhere
