Lunar Falls Lashell Collins, Drawn to the mysterious and sexy shifter who is now her mate by forces she still doesn't fully understand Carly Tipton thought she had uncovered all the secrets Lunar Falls was hiding Secrets that shook the very foundation of her own family tree But what she's about to learn is that the secrets of Lunar Falls are only the tip of the iceberg and that the lies it tells actually go much deeper than she or Gabe ever imagined Gabe is determined that he and Carly are going to be free to build a life together A life without the limits or the stigma of prejudice But he soon comes to realize that he's not only fighting for the freedom of their love he's fighting for the freedom of all five packs As GrandAlpha the fate of his entire people rests squarely on his shoulders as the threat of civil war looms ever larger above him And when the ruthless cat shifters begin killing innocent humans Gabe's problems quickly go from bad to worse The Art of

Listening R. S. White, 2015-10-23 Originally published in 1986 This collection of essays is unified by one leading idea that the active and creative abilities of listeners and readers deserve as much attention as the skills of speakers and writers It is shown that hearers far from being passive recipients in the communicative process are in fact active in selecting interpreting and creating from the disparate signals they receive Equally readers are involved in creating individual patterns of significance from a text In presenting this argument some essays deal with the importance of gender considerations some with special modes of writing such as the private diary and literary translations and others with the more familiar fields of poetry and drama In the sphere of popular music distinctions such as folk and pop indicate special problems in assessing the authenticity of a listener's response By concentrating on active listening the collection develops and illustrates the conviction that there are fundamental premises underlying the various disciplines under review the analysis of which makes for a fuller understanding of communication in all its forms
