Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos,2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre
