How To Report A Cult:

Regulating Religion James T. Richardson, 2012-12-06 *Regulating Religion Case Studies from Around the Globe* presents through the inclusion of contributions by international scholars a global examination of how a number of contemporary societies are regulating religious groups. It focuses on legal efforts to exert social control over such groups especially through court cases but also with selected major legislative attempts to regulate them. As such this analysis falls within the broad area of the sociology of social control and more specifically legal social control a topic of great interest when studying how contemporary societies attempt to maintain social order. The factual details about social and legal developments in societies where religion has been defined as problematic include Western and Eastern Europe Asia Oceania and the Americas. This book will be of interest to researchers and students in the sociology of religion the sociology of law social policy and religious studies as well as policy makers. Investigation of Illegal Or Improper Activities in Connection with 1996 Federal Election Campaigns, 1999 *Spiritual Battery* Candy Gwen Lopitz, 2011-04 Since escaping the Watchtower twenty five years ago the author has sought to help others understand the underlying issues while seeking freedom from religious cults. Candy knows first hand how cult indoctrination and abuses produce long term effects in adherents. **106-1 Committee Print: Witness Deposition Testimony, Investigation of Illegal Or Improper Activities in Connection With 1996 Federal Election Campaigns, S. Prt. 106-30, Part 8 of 10, 1999**, 1999 The Deterioration of Religious Liberty in Europe United States. Congress. Commission on Security and Cooperation in Europe, 1999 State of Illinois V. Hickey, 1999 **Deadly Cults** Robert L. Snow, 2003-11-30 How does a Vampire Cult differ from a Satanic Cult? How do seemingly normal or ordinary citizens suddenly find themselves committed to a group whose leader promotes criminal activities and isolation from families and friends? What should you do if a loved one becomes indoctrinated by a potentially dangerous cult? This book focuses on various cults and their often criminal belief systems. Most readers are shocked by stories of mass suicides and ritualized cult killings but few understand how such crimes come to be committed. Snow a seasoned police officer with experience working on cult crimes examines those cults that commit offenses from murder and fraud to kidnapping and sexual assault. By providing specific accounts of dangerous cults and their destructive acts Snow illustrates how seemingly innocent groups can turn pernicious when under the sway of a charismatic leader with an agenda or when members take things too far. He offers advice on how to avoid falling victim to cult indoctrination concluding with chapters on how to identify cults how to protect yourself and your family and what to do if a loved one is ensnared by such a group. *Orakaiva Magic* Francis Edgar Williams, 1928 **Activities of Federal Law Enforcement Agencies Toward the Branch Davidians** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1996 Biennial Report Virginia. Dept. of Health, 1925
