Testament with fresh enthusiasm and profound insights **John for everyone, pt.1 : Chapters 1-10** N. T. Wright,2002

John for Everyone, Part 1, Enlarged Print N T Wright,2023-09-19 Chapters 1 10 of the gospel of John come alive in N T Wright s updated reader friendly translation and insightful commentary He guides the reader through the world of the New Testament explaining the ideas and events that shaped the gospel writer s account of the life of Jesus *The Genesis of Marriage: A Drama Displaying the Nature and Character of God* Richard Shenk,2018-08-01 A theological exploration of Genesis 2 which renews our vision of the purpose of marriage as the central drama within God s salvation plan Marriage seems increasingly irrelevant to many people today But is this a true understanding of marriage Could it be that God may have expectations for marriage which are distinct from our own and wholly unaffected by our feelings or debates If God is the author and definer of marriage then we must look to the Author to discern its meaning rather than ourselves The Genesis of Marriage sets out a biblical theology of marriage grounded in the Marriage Text of Genesis 2 18 25 and investigates how it fits in its own context of Genesis 1 3 and the whole of Scripture Examining the Marriage Text exegetically and theologically Shenk shows this as the climax and conclusion of the two creation accounts and explores what this reveals about the nature and character of God The doctrinal implications of this are then explored answering such practical questions such as What are the ethics of marriage and How do we approach the real world concerns of separation divorce and remarriage Shenk s exploration helps dispel our modern disillusionment with marriage or at least our ideas and beliefs about marriage which may be at odds with God s to reveal deep truth about the nature and character of God *Pastor John* Brian N. Tebbutt,2020-08-12 Puzzled by John This exciting book illuminates the Gospel in a completely fresh way Reading and working with it will deepen fellowship and skill in pastoral care The text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers Poetry prose and hymn references abound Pastor John elucidates the first four chapters of John s Gospel presenting new insights into the text in a way that involves us in the story When we read we come nearer to Jesus who is always with us anyway A guide is provided for understanding ourselves experienced by sharing with each other Precise guidance is given for workshops where all contribute something of themselves in the light of the text This experience of John s Gospel is illuminated using the latest way of reading the text What the story means is conveyed in detailed Bible study It becomes real for us and this reality is explored by understanding the process of reading and observing our reactions to the text John s Christ becomes central to who we are *Questions God Asks Us* Trevor Hudson,2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In Questions God Asks Us we re encouraged to focus on the quest rather than a resolution Such an approach leads to deeper dialogue and intimacy with the

divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God

Christocentric Preaching Meets the Historical Jesus Devon Duffield,2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric
