**Dalton Trumbo, Hollywood Rebel** Peter Hanson, 2015-08-13 As a screenwriter, novelist, and political activist, Dalton Trumbo stands among the key American literary figures of the 20th century. He wrote the classic antiwar novel *Johnny Got His Gun* and his credits for *Spartacus* and *Exodus* broke the anticommunist blacklist that infected the movie industry for more than a decade. By defining connections between Trumbo's most highly acclaimed films, including *Kitty Foyle*, *Thirty Seconds Over Tokyo*, and *Roman Holiday*, and his important but lesser-known movies *The Remarkable Andrew*, *He Ran All the Way*, and *The Boss*, the author identifies how for nearly four decades Trumbo used the archetype of the rebel hero to inject social consciousness into mainstream films. This new critical survey, the first book-length work on Trumbo's screenwriting career, examines the scores of films on which Trumbo worked and explores the techniques that made him, at the time he was blacklisted in 1947, Hollywood's highest paid writer. Hanson reveals how Trumbo dealt with major themes including rebellion, radical politics, and individualism, while also detailing lesser-known areas of Trumbo's screenwriting, such as his troubling portrayal of women, the dichotomy between his proletarian attitude and bourgeois lifestyle, and the almost surreptitious manner in which he included antiestablishment rhetoric in seemingly innocuous scripts. An extensive filmography is included.

**American Writers and the Approach of World War II, 1930-1941** Ichiro Takayoshi, 2015 Ichiro Takayoshi's book argues that World War II transformed American literary culture. From the mid 1930s to the American entry into World War II in 1941, pre-eminent figures from Ernest Hemingway to Reinhold Niebuhr responded to the turn of the public's interest from the economic depression at home to the menace of totalitarian systems abroad by producing novels, short stories, plays, poems, and cultural criticism in which they prophesied the coming of a second world war and explored how America could prepare for it. The variety of competing answers offered a rich legacy of idioms, symbols, and standard arguments that were destined to license America's promotion of its values and interests around the world for the rest of the twentieth century. Ambitious in scope and addressing an enormous range of writers, thinkers, and artists, this book is the first to establish the outlines of American culture during this pivotal period.

**Personal Narratives, Peripheral Theatres: Essays on the Great War (1914-18)** Anthony Barker, Maria Eugénia Pereira, Maria Teresa Cortez, Paulo Alexandre Pereira, Otilia Martins, 2017-12-14 This book is a collection of essays on neglected aspects of the Great War. It begins by asking what exactly was so Great about it before turning to individual studies of various aspects of the war. These fall broadly into two categories. Firstly, personal micro-narratives that deal directly with the experience of war, often derived from contemporary interest in diaries and oral histories. Presenting both a close-up view of the viscerality and the tedium and powerlessness of personal situations, these same narratives also address the effects of the war on hitherto under-regarded groups such as children and animals. Secondly, the

authors look at the impact of the course of the war on theatres often left out in reflections on the main European combatants and therefore not part of the regular iconography of the trenches in places such as Denmark Canada India the Levant Greece and East Africa      **Los Angeles** John Walton Caughey,LaRee Caughey,2023-09-01 Los Angeles City of Angels A city with a remarkable history over 200 years old Interwoven with the Caughey s commentary are over 100 of the choicest essays on Los Angeles The saga of cowtown turned post war metropolis unfolds before the reader Los Angeles City of Angels A city with a remarkable history over 200 years old Interwoven with the Caughey s commentary are over 100 of the choicest essays on Los Angeles The saga of cowtown turned post war metropolis unfolds before the reader
