Journey through Exodus Mike

Newberry, 2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus

Earth Story in Wisdom Traditions Norman C. Habel, Shirley Wurst, 2001-01-01 In this volume scholars from around the world read the story of the Earth in major Wisdom Traditions using the ecojustice principles outlined in Volume 1 Readings from the Perspective of Earth These readings uncover a range of fresh perspectives about Earth in seeking to discover where the voices of Earth are suppressed or heard in the Wisdom texts Some texts reveal an eco-kinship between Earth and Wisdom Texts from Job challenge a cosmic model that gives priority to heaven over Earth Still others challenge the mandate to dominate in Genesis 1:28 In many texts Wisdom provides a vehicle for a new kinship with Earth Contributors include Jenny Wightman Hendrik Viviers Carole Fontaine Izak Spangenberg Alice Sinnott Willie van Heerden Katherine Dell Dale Patrick Marie Turner and Laura Hobgood Oster

Revelation: Beyond the Cross Dennis LaValley, 2011-10 A deep shroud of mystery surrounds the book of Revelation and it lends itself to a wide variety of interpretations Its style and symbolism intimidate us and leave us bewildered yet there is a thread of continuity and strength permeating its pages Not just another book on Revelation Dennis LaValley's Revelation Beyond the Cross cuts through layers of poor translation and error to solve the problems presented by hundreds of years of misinformation In a conversational style LaValley writes to reveal Revelation's true purpose the full vivid story of Jesus's return to heaven after his ministry on Earth Through meticulous research LaValley places Revelation back in the Bible endows it with the authority of Scripture and shows its relevance to the other books of the Bible and to the first century Christian He breaks down Revelation chapter by chapter and interprets the visions and symbols in accordance with the principles of apocalyptic literature using Scripture not opinion Revelation Beyond the Cross shatters the bonds of tradition and superstition and strips away the mystery to reveal the pure and simple truth of the Gospel
