The World and the Word: Making Sense of Social Science in an Age of Conflict, Opposition, and Grace Dr. Herbert L. Green Jr., 2017-08-24 Jesus very presence as the New Testament age unfolded 1st century A.D. engendered opposition created conflict while ushering in grace His ideas were considered radical Why is this so The NIV Archeological Study Bible 2005 NIV Student Bible et al and corroborating Extra Biblical evidence provide a context for the Word view about Jesus in Biblical history and supports aspects of the social and physical sciences in terms of cultural socio economic political historical archeological and philosophical apologetics evidence As the pages of this book unfold there is an internal consistency with social science and The Bible However where such consistency appeared to diverge this author attempts to filter out the noise by applying critical thinking criteria to a Worldview that may not be consistent with the Word view The goal of this book therefore is to provide some exposition Greek apologia of the

Word and see how the World fits Born again Christians can be credible scientists and not compromise God's Word After thoughtful reading please send reflective comments to Dr Herb Green Jr at docgreen48 outlook com

**Race and Restoration** Barclay Key,2020-05-06 From the late nineteenth century to the dawn of the civil rights era the Churches of Christ operated outside of conventional racial customs Many of their congregations even deep in the South counted whites and blacks among their numbers As the civil rights movement began to challenge pervasive social views about race Church of Christ leaders and congregants found themselves in the midst of turmoil In Race and Restoration Churches of Christ and the Black Freedom Struggle Barclay Key focuses on how these churches managed race relations during the Jim Crow era and how they adapted to the dramatic changes of the 1960s Although most religious organizations grappled with changing attitudes toward race the Churches of Christ had singular struggles Fundamentally restorationist these exclusionary churches perceived themselves as the only authentic expression of Christianity compelling them to embrace peoples of different races even as they succumbed to prevailing racial attitudes The Churches of Christ thus offer a unique perspective for observing how Christian fellowship and human equality intersected during the civil rights era Key reveals how racial attitudes and practices within individual congregations elude the simple categorizations often employed by historians Public forums designed by churches to bridge racial divides offered insight into the minds of members while revealing the limited progress made by individual churches Although the Churches of Christ did have a more racially diverse composition than many other denominations in the Jim Crow era Key shows that their members were subject to many of the same aversions prejudices and fears of other churches of the time Ironically the tentative biracial relationships that had formed within and between congregations prior to World War II began to dissolve as leading voices of the civil rights movement prioritized desegregation

**At-Home Seminary** Rich O'Brien,2025-07-15 My goal upon entering Moody's MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical

knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary

**The Peace We Can't Reach** Meg Gorzycki,2023-09-28 Propelled by George Floyd s murder in her hometown of Minneapolis Meg Gorzycki addresses the question of why peace is difficult to cultivate and sustain and finds that America has always had a love hate relationship with peace The Peace We Can t Reach posits that peace is more than the absence of war and aggression and in its most profound sense is shalom the commitment to live for the well being of all so that compassion and justice might prevail Exploring shalom from the perspective of war police brutality mass shootings and economic injustice this book offers evidence that neither democracy nor Christianity as Americans have known them are capable of achieving peace It asserts that the keys to peace are personal and social narratives that give people a sense of identity and their highest purpose and concludes that gaining control over these narratives is vital to shalom

a powerful testament to the extraordinary impact of mentorship inviting both mentors and mentees to embrace the shared power experience that transforms lives      The Grace Filled Life Dr. Stephen R. Button,2023-04-03 When Jesus said My grace is sufficient Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life Were it not for grace we would still be lost in our sin unwilling to or incapable of enjoying the benefits of a relationship with Jesus I chose the word panoply to describe God s grace because grace is so overwhelmingly abundant and impressively available to the believer God s grace is more than sufficient It is abundantly available to all that belong to Him There is a reservoir of grace that will never empty Christ was saying there is nothing else that will compare with it nothing else that will replace it and nothing else that will embody it Grace is sufficient because there is nothing that can be added to it supplement it or enhance it Well written interesting and easy to read It presents a practical understanding and comprehensive application of grace to Christian believers daily lives written at times out of the crucible of personal experience It serves as a wonderful tribute to your Dad Dr Lloyd Button s life and ministry It also represents an incredible amount of careful thought and work I found it to be both clear and captivating Dr David Nicholas President Shasta Bible College Redding California      **The Bible Blueprint: A Guide to Better Understanding the Bible from Genesis to Revelation** Christine Paxson,Rose Spiller,2021-08-17 Have you ever wanted to read the Bible but found it intimidating Have you ever read parts or all of the Bible but come away more confused than ever Does it seem like there are contradictions in the Bible Why is there an Old Testament and a New Testament Does the Old Testament even matter to Christians today How do the sixty six books of the Bible fit together Is there an overarching theme If you have asked yourself any of these questions or others you are not alone The Bible Blueprint divides the entire Bible chronologically into six easy to read parts It provides a basic understanding of Scripture as a complete story that links all the various books together It gives an overview of each book touching on highlights and some of the amazing and significant events in each without the reader getting bogged down in the more difficult sections There is no substitute for the actual Bible it is not only fascinating it is the life giving life saving life transforming Word of God so The Bible Blueprint is not a replacement for the Bible but it will whet your appetite to dig deeper into God s Book for yourself while giving you the confidence to do so      *Simply Electrifying* Craig R. Roach,2017-07-25 Selected for J P Morgan s 2018 Holiday Reading List Imagine your life without the internet Without phones Without television Without sprawling cities Without the freedom to continue working and playing after the sun goes down Electricity is at the core of all modern life It has transformed our society more than any other technology Yet no book offers a comprehensive history about this technological marvel Until now *Simply Electrifying* The Technology that Transformed the World from Benjamin Franklin to Elon Musk brings to life the 250 year history of electricity through the stories of the men and women who used it to transform our world Benjamin Franklin James Watt Michael Faraday Samuel F B Morse Thomas Edison Samuel Insull Albert Einstein Rachel Carson Elon Musk and

more In the process it reveals for the first time the complete thrilling and often dangerous story of electricity s historic discovery development and worldwide application Electricity plays a fundamental role not only in our everyday lives but in history s most pivotal events from global climate change and the push for wind and solar generated electricity to Japan s nuclear accident at Fukushima and Iran s pursuit of nuclear weapons Written by electricity expert and four decade veteran of the industry Craig R Roach Simply Electrifying marshals in fascinating narrative detail the full range of factors that shaped the electricity business over time science technology law politics government regulation economics business strategy and culture before looking forward toward the exhilarating prospects for electricity generation and use that will shape our future

**Earth's Last Empire** John Hagee,2018-09-18 Our world is in crisis mode but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee Bible prophecy clearly reveals that immediately prior to the rapture of the Church four powerful kings will race onto the stage of world history Pastor Hagee reveals who they are where they come from and what they signify Learn why Hagee believes that we are in the beginning stages of World War III and how this will eventually take us to the Battle of Armageddon Pastor Hagee vividly describes the key players that signify the King is coming [Depression, Where Is Your Sting?](#) Robert D. McBain,2021-02-25 If Christianity

offers believers hope freedom and victory over darkness why are Christians depressed This book explores this question using the author s experiences with depression both as a non believer and later as a Christian Self harm suicidal behavior and alcohol typified his non Christian life until an encounter with Christ healed him from depression and delivered him from his self destructive lifestyle Unfortunately the depression returned within a few years of becoming a Christian He looked to the church for help but found none This led him on a spiritual journey with God to find healing from depression Join him as he unmasks the problem of depression in the church and explains how the church can lead sufferers to wholeness He also shares his own struggles and describes how he found freedom from depression through Christ **A New English Music**

Tim Rayborn,2016-04-27 The turn of the 20th century was a time of great change in Britain The empire saw its global influence waning and its traditional social structures challenged There was a growing weariness of industrialism and a desire to rediscover tradition and the roots of English heritage A new interest in English folk song and dance inspired art music which many believed was seeing a renaissance after a period of stagnation since the 18th century This book focuses on the lives of seven composers Ralph Vaughan Williams Gustav Holst Ernest Moeran George Butterworth Philip Heseltine Peter Warlock Gerald Finzi and Percy Grainger whose work was influenced by folk songs and early music Each chapter provides an historical background and tells the fascinating story of a musical life **Coaching Better Every Season** Wade
