William Shakespeare

Macbeth Augmenteacute Annoteacute Et Illustreacute Shakespeare T:

Macbeth Nilanko Mallik,2016-07-05 *Macbeth Critically Annotated Shakespeare* is the first in a series of books set to provide detailed critical explanations of the lines along with hints on performances The book is meant for students teachers scholars researchers and also for performers A lot of the annotations look at how the parts should be performed and they are mentioned by placing two star asterisk marks before the note number in the explanations A visible advantage of the book is that the annotations are on the same page as the text so that the readers don t have to flip through pages to look at the annotations and turn back to the text The flow of reading is not disturbed as the annotations are on the same page Besides giving annotations which not only provide explanations of lines but also offer character trait discussion and discussion of other issues so that students will find lots of matter for academic needs the book also provides background information on the playwright and the times about his works in general and then explores some topics related to the text covered under Textual Analysis section The references don t just list the works which have been cited but also list other quality works which students can resort to hence I have not written Works Cited but References Last but not the least the illustrations enhance the knowledge of the readers and make the book a wonderful academic and leisurely read as well as a read for performers and directors
